

**Media Release for Meals provided under the  
National School Lunch and Breakfast Programs**

**Media Release for Seamless Summer Option Free Meals in School Year 2021-2022**

**NEW FRONTIERS PUBLIC SCHOOLS** announced its policy today that this school year, healthy meals will be offered every school day to all students at no cost. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year. Each school/site or central office has a copy of the policy, which may be reviewed upon request.

While no application or eligibility determination process is required for your student to receive free meals this school year, the income eligibility requirement will likely resume in the 2022-2023 school year.

Students in grades 9<sup>th</sup>-12<sup>th</sup> will be provided with Free breakfast and Free Lunch for the 2021-2022 School Year.

Parents/ Guardians will no longer be required to complete a school lunch application, however they will be required to complete a Community Eligibility Provision (CEP) Socioeconomic information form each school year.

If you have any questions concerning the NSLP/CEP program, please contact the following person:
