SECTION 2. AGE DISCRIMINATION

New Frontiers Public Schools may take an employment action on the basis of age pursuant to a bona fide seniority system or a bona fide employee benefit plan. However, a bona fide employee benefit plan shall not excuse the failure to hire any individual and no such benefit plan shall require or permit the involuntary retirement of any individual because of age. *29 U.S.C. 623(f); Labor Code 21.102.*

SECTION 3. SEX DISCRIMINATION

a) *Gender Stereotypes*

b) *Pregnancy*

New Frontiers Public Schools shall treat women affected by pregnancy, childbirth, or related medical conditions the same for all employment-related purposes, including receipt of benefits under fringe benefit programs. *42 U.S.C. 2000e(k); 29 CFR 1604.10; Labor Code 21.106.*

c) *Equal Pay*

New Frontiers Public Schools may not pay an employee at a rate less than the rate paid to employees of the opposite sex for equal work on jobs the performance of which require equal skill, effort, or responsibility and which are performed under similar working conditions. This rule does not apply if the payment is pursuant to a seniority system, a merit system, a system that measures earnings by quantity or quality of production, or a differential based on any other factor other than sex. *29 U.S.C. 206(d); 34 CFR 106.54.*

SECTION 4. RELIGIOUS DISCRIMINATION

The prohibition against discrimination on the basis of religion includes all aspects of religious observances and practice, as well as religious belief, unless New Frontiers Public Schools demonstrates that it is unable to reasonably accommodate an employee's or prospective employee's religious observance or practice without undue hardship to New Frontiers Public School's business. "Undue hardship" means more than a de minimums (minimal) cost. *42 U.S.C. 2000e(j); 29 CFR 1605.2; Labor Code 21.108.*

New Frontiers Public Schools may not substantially burden an employee's free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest. *Civ. Prac. & Rem. Code 110.003.*

SECTION 5. DISABILITY DISCRIMINATION

New Frontiers Public Schools may not discriminate against a qualified individual on the basis of disability in job application procedures, hiring, advancement, or discharge of employees, compensation, job training, and other terms, conditions, and privileges of employment. *42 U.S.C. 12112(a), 12201(g); 29 U.S.C. 794(a); Labor Code 21.051, 21.105.*

a) *Discrimination Based on Lack of Disability*

The Americans with Disabilities Act ("ADA") and the Texas Commission on Human Rights Act do not provide a basis for a claim that an individual was subject to discrimination because of the individual's lack of disability. *42 U.S.C. 12201(g); Labor Code 21.005(c).*

New Frontiers Public Schools must take positive efforts, if it receives assistance under the Individuals with Disabilities Education Act ("IDEA"), to employ and advance in employment qualified individuals with disabilities in programs assisted by the IDEA. *34 CFR 300.177(b).*

b) *Definition of Disability*

"Disability" means a physical or mental impairment that substantially limits one or more of an individual's major life activities, a record of having such an impairment, or being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to a prohibited action because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity. However, this provision does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of six months or less. *42 U.S.C. 12102(1), (3), (4); 29 CFR 1630.2(g); Labor Code 21.002, 21.0021.*

c) *Mitigating Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses

and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

42 U.S.C. 12102(1), (3), (4); 29 CFR 1630.2(g), (j)(1); Labor Code 21.002, .0021.

d) *Other Definitions*

i. *Physical or Mental Impairment*

“Physical or mental impairment” means:

1. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more body systems, such as neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine; or
2. Any mental or psychological disorder, such as an intellectual disability (formerly termed “mental retardation”), organic brain syndrome, emotional or mental illness, and specific learning disabilities.

29 C.F.R. 1630.3(h).

ii. *Major Life Activities*

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. “Major life activities” also include the operation of major bodily functions, including functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. *42 U.S.C. 12102(2); Labor Code 21.002.*

iii. *Qualified Individual*

“Qualified individual” means an individual who, with or without reasonable accommodation, can perform the essential functions of the employment position that the individual holds or desires. A written job description prepared before advertising or interviewing applicants for the job is evidence of the job’s essential functions. *42 U.S.C. 12111(8).*

e) *Reasonable Accommodations*

New Frontiers Public Schools shall make reasonable accommodations to the known physical or mental limitations of an otherwise qualified individual with a disability, unless New Frontiers Public Schools can demonstrate that the accommodation would impose an undue hardship on the operation of New Frontiers Public Schools.

42 U.S.C. 12112(b)(5); 29 CFR 1630.9; 29 U.S.C. 794; 34 CFR 104.11; Labor Code 21.128.

“Reasonable accommodation” includes:

1. Making existing facilities used by employees readily accessible to and usable by individuals with disabilities; and
2. Job restructuring, part-time or modified work schedules, reassignment to a vacant position, acquisition or modification of equipment or devices, appropriate adjustment or modification of examinations, training materials or policies, the provision of qualified readers or interpreters, and other similar accommodations for individuals with disabilities.

42 U.S.C. 12111(9); 29 CFR 1630.2(o); 34 CFR 104.12(b).

“Undue hardship” means an action requiring significant difficulty or expense when considered in light of the nature and cost of the accommodation needed, overall financial resources of the affected facility and New Frontiers Public Schools, and other factors set out in law. 42 U.S.C. 12111(10); 29 CFR 1630.2(p); 34 CFR 104.12(c).

f) *Discrimination Based on Relationship*

New Frontiers Public Schools shall not exclude or deny equal jobs or benefits to, or otherwise discriminate against, a qualified individual because of the known disability of an individual with whom the qualified individual is known to have a family, business, social, or other relationship or association. 42 U.S.C. 12112(b)(4); 29 CFR 1630.8; 34 CFR 104.11.

g) *Illegal Drugs and Alcohol*

The term “qualified individual with a disability” does not include any employee or applicant who is currently engaging in the illegal use of drugs, when New Frontiers Public Schools acts on the basis of such use.

i. *Drug Testing*

New Frontiers Public Schools is not prohibited from conducting drug testing of employees and applicants for the illegal use of drugs or making employment decisions based on the results of such tests. 42 U.S.C. 12114(c), (d); Labor Code 21.002(6)(A).

ii. *Alcohol Use*

The term “qualified individual with a disability” does not include an individual who is an alcoholic and whose current use of alcohol prevents the employee from performing the duties of his or her job or whose employment, by reason of such current alcohol abuse, would constitute a direct threat to property or the safety of others. 42 U.S.C. 12114(a); 29 U.S.C. 705(20)(C); 29 CFR 1630.3(a); 28 CFR 35.104; Labor Code 21.002(6)(A).

h) *Qualification Standards*

i. *Direct Threat to Health or Safety*

As a qualification standard, New Frontiers Public Schools may require that an individual not pose a direct threat to the health or safety of other individuals in the workplace. “Direct threat” means a significant risk to the health or safety of the individual or others that cannot be eliminated by reasonable accommodation. 42 U.S.C. 12111(3); 29 CFR 1630.2(r); Labor Code 21.002(6)(B).

ii. *Vision Standards and Tests*

New Frontiers Public Schools shall not use qualification standards, employment tests, or other selection criteria based on an individual’s uncorrected vision unless the standard, test, or other selection criteria, as used by New Frontiers Public Schools, is shown to be job-related for the position in question and consistent with business necessity. 42 U.S.C. 12113(c); Labor Code 21.115(b).

iii. *Communicable Diseases*

New Frontiers Public Schools may refuse to assign or continue to assign an individual to a job involving food handling if the individual has an infectious or communicable disease that is transmitted to others through handling of food. 42 U.S.C. 12113(d); 29 U.S.C. 705(20)(D); 29 CFR 1630.16(e); Labor Code 21.002(6)(B).

i) *Service Animals*

New Frontiers Public Schools shall not take adverse employment action or discriminate against any person who takes action to enforce protections afforded by the Uniformed Services Employment and Re-employment Rights Act (USERRA). *38 U.S.C. 4311.*

SECTION 7. GENETIC NONDISCRIMINATION

a) Definitions

For the purpose of the Genetic Information Nondiscrimination Act (GINA), “genetic information” means information about:

1. An individual’s genetic tests;
2. The genetic tests of that individual’s family members;
3. The manifestation of disease or disorder in family members of the individual (family medical history);
4. An individual’s request for or receipt of genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or
5. The genetic information of a fetus carried by an individual or by a pregnant woman who is a family member of the individual and the genetic information of any embryo legally held by the individual or family member using an assisted reproductive technology.

“Genetic information” ***does not include*** information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family members that is not derived from a genetic test.

29 CFR 1635.3(c).

“Genetic test” means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detects genotypes, mutations, or chromosomal changes. Genetic tests include, but are not limited to:

1. A test to determine whether someone has the BRCA1 or BRCA2 variant evidencing a predisposition to breast cancer, a test to determine whether someone has a genetic variant associated with hereditary nonpolyposis colon cancer, and a test for a genetic variant for Huntington’s Disease;
2. Carrier screening for adults using genetic analysis to determine the risk of conditions such as cystic fibrosis, sickle cell anemia, spinal muscular atrophy, or fragile X syndrome in future offspring;
3. Amniocentesis and other evaluations used to determine the presence of genetic abnormalities in a fetus during pregnancy;

4. Newborn screening analysis that uses DNA, RNA, protein, or metabolite analysis to detect or indicate genotypes, mutations, or chromosomal changes, such as a test for PKU performed so that treatment can begin before a disease manifests;
5. Pre-implantation genetic diagnosis performed on embryos created using in vitro fertilization;
6. Pharmacogenetic tests that detect genotypes, mutations, or chromosomal changes that indicate how an individual will react to a drug or a particular dosage of a drug;
7. DNA testing to detect genetic markers that are associated with information about ancestry; and
8. DNA testing that reveals family relationships, such as paternity.

Examples of tests or procedures that are not genetic tests are:

1. An analysis of proteins or metabolites that does not detect genotypes, mutations, or chromosomal changes;
2. A medical examination that tests for the presence of a virus that is not composed of human DNA, RNA, chromosomes, proteins, or metabolites;
3. A test for infectious and communicable diseases that may be transmitted through food handling;
4. Complete blood counts, cholesterol tests, and liver-function tests.

A test for the presence of alcohol or illegal drugs is not a genetic test. However, a test to determine whether an individual has a genetic predisposition for alcoholism or drug use is a genetic test. *29 CFR 1635.3(f)*.

b) Notices

The Superintendent or designee shall post in conspicuous places on school premises, where notices to employees and applicants for employment are customarily posted, a notice setting forth excerpts from or summaries of the pertinent provisions of the GINA regulation and information pertinent to the filing of a complaint. *29 CFR 1635.10(c)*.

c) Prohibited Practices

i. Discrimination

New Frontiers Public Schools shall not discriminate against an individual on the basis of genetic information in regard to hiring, discharge, compensation, or terms, conditions, or privileges of employment. *42 U.S.C. 2000ff-1(a); 29 CFR 1635.4*.

ii. Retaliation

New Frontiers Public Schools shall not discriminate against an individual because the individual has opposed any act or practice made unlawful by GINA or because the individual made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under GINA. *41 U.S.C. 2000ff-6(f); 29 CFR 1635.7*.

iii. Acquisition

Except as set forth below or otherwise provided in the GINA regulations, New Frontiers Public Schools shall not request, require, or purchase genetic information of an individual or family member of the individual. *42 U.S.C. 2000ff-1(b); 29 CFR 1635.8(a)*.

“Request” includes:

1. Conducting an Internet search on an individual in a way that is likely to result New Frontiers Public School's obtaining genetic information;
2. Actively listening to third-party conversations or searching an individual's personal effects for the purpose of obtaining genetic information; and
3. Making requests for information about an individual's current health status in a way that is likely to result in New Frontiers Public School's obtaining genetic information.

29 CFR 1635.8(a).

iv. *Disclosure*

Except as set forth in the GINA regulations, New Frontiers Public Schools shall not disclose the genetic information of an employee, regardless of how New Frontiers Public Schools obtained the information. *29 CFR 1635.9(b).*

d) *Manifested Condition*

New Frontiers Public Schools shall not be considered to be in violation of the GINA regulations based on the use, acquisition, or disclosure of medical information about a manifested disease, disorder, or pathological condition of an employee, even if the disease, disorder, or pathological condition has or may have a genetic basis or component. However, genetic information about a manifested disease, disorder, or pathological condition is subject to the requirements and prohibitions of GINA. *29 CFR 1635.12.*

“Manifestation” or “manifested” means, with respect to a disease, disorder, or pathological condition, that an individual has been or could reasonably be diagnosed with the disease, disorder, or pathological condition by a health-care professional with appropriate training and expertise in the field of medicine involved. A disease, disorder, or pathological condition is not manifested if the diagnosis is based principally on genetic information. *29 CFR 1635.3(g).*

e) *Inadvertent Acquisition*

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where New Frontiers Public Schools inadvertently requests or requires genetic information of the individual or family member of the individual. This exception applies in, but is not necessarily limited to, situations where a manager or supervisor learns genetic information about an individual by:

1. Overhearing a conversation between the individual and others;
2. Receiving the information during a casual conversation, including in response to an ordinary expression of concern that is the subject of the conversation. This exception does not apply where a supervisor follows up with questions that are probing in nature, such as whether other family members have the condition or whether the individual has been tested for the condition, because the supervisor or official should know that these questions are likely to result in the acquisition of genetic information;
3. Receiving unsolicited information (e.g., where a supervisor receives an unsolicited e-mail about the health of an employee's family member from a co-worker); or
4. Accessing a social media platform that the supervisor was given permission to access by the creator of the profile at issue (e.g., a supervisor and employee are connected on a social networking site and the employee provides family medical history on his page).

29 CFR 1635.8(b)(1)(ii).

f) Requests for Medical Information

If New Frontiers Public Schools acquires genetic information in response to a lawful request for medical information, the acquisition of genetic information will not generally be considered inadvertent unless New Frontiers Public Schools directs the individual and/or health-care provider from whom it requested medical information not to provide genetic information. 29 CFR 1635.8(b)(1)(i)(A).

Situations involving lawful requests for medical information include, for example:

1. Requests for documentation to support a request for reasonable accommodation under federal, state, or local law where the disability and/or need for accommodation is not obvious, the documentation is no more than is sufficient to establish that an individual has a disability and needs a reasonable accommodation, and the documentation relates only to the impairment that the individual claims to be a disability that requires reasonable accommodation;
2. Requests for medical information as required, authorized, or permitted by federal, state, or local law, such as where an employee requests leave under the Family and Medical Leave Act (“FMLA”) to attend to the employee’s own serious health condition or where an employee complies with the FMLA’s employee return to work certification requirements; or
3. Requests for documentation to support leave that is not governed by federal, state, or local laws requiring leave, as long as the documentation required to support the request otherwise complies with the requirements of the ADA and other laws limiting New Frontiers Public School’s access to medical information.

29 CFR 1635.8(b)(1)(i)(D).

i. Safe Harbor

Any receipt of genetic information in response to a request for medical information shall be deemed inadvertent if New Frontiers Public Schools uses language such as the following:

“The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.”

New Frontiers Public School’s failure to give such a notice or to use this or similar language will not prevent New Frontiers Public Schools from establishing that a particular receipt of genetic information was inadvertent if the request for medical information was not likely to result in New Frontiers Public School’s obtaining genetic information (for example, where an overly broad response is received in response to a tailored request for medical information).

29 CFR 1635.8(b)(1)(i)(B), (C).

g) *Employment Examinations*

The prohibition on acquisition of genetic information applies to medical examinations related to employment. New Frontiers Public Schools shall tell health-care providers not to collect genetic information, including family medical history, as part of a medical examination intended to determine the ability to perform a job. 29 CFR 1635.8(d).

i. *Remedial Measures*

New Frontiers Public Schools shall take additional reasonable measures within its control if it learns that genetic information is being requested or required in medical examinations related to employment. Such reasonable measures may depend on the facts and circumstances under which a request for genetic information was made, and may include no longer using the services of a health-care professional who continues to request or require genetic information during medical examinations after being informed not to do so. 29 CFR 1635.8(d).

h) *Health or Genetic Services*

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where New Frontiers Public Schools offers health or genetic services, including services offered as part of a voluntary wellness program, if the conditions at 29 CFR 1635.8(b)(2) are met.

New Frontiers Public Schools may not offer a financial inducement for individuals to provide genetic information but may offer financial inducements for completion of health risk assessments that include questions about family medical history or other genetic information. New Frontiers Public Schools shall make clear, in language reasonably likely to be understood by those completing the health risk assessment, that the inducement will be made available whether or not the participant answers questions regarding genetic information.

New Frontiers Public Schools may offer financial inducements to encourage individuals who have voluntarily provided genetic information (e.g., family medical history) that indicates that they are at increased risk of acquiring a health condition in the future to participate in disease management programs or other programs that promote healthy lifestyles, and/or to meet particular health goals as part of a health or genetic service. However, New Frontiers Public Schools must also offer these programs to individuals with current health conditions and/or to individuals whose lifestyle choices put them at increased risk of developing a condition.

29 CFR 1635.8(b)(2).

i) *Leave Requests*

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where New Frontiers Public Schools requests family medical history to comply with the certification provisions of the FMLA or state or local family and medical leave laws, or pursuant to a policy (even in the absence of requirements of federal, state, or local leave laws) that permits the use of leave to care for a sick family member and that requires all employees to provide information about the health condition of the family member to substantiate the need for leave. 29 CFR 1635.8(b)(3).

j) *Publicly Available Information*

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where New Frontiers Public Schools acquires genetic information from documents that are

commercially and publicly available for review or purchase, including newspapers, magazines, periodicals, or books, or through electronic media, such as information communicated through television, movies, or the Internet, except that this exception does not apply to:

1. Medical databases, court records, or research databases available to scientists on a restricted basis;
2. Genetic information acquired through sources with limited access, such as social networking sites and other media sources which require access permission from a specific individual or where access is conditioned on membership in a particular group, unless New Frontiers Public Schools can show that access is routinely granted to all who request it;
3. Genetic information obtained through commercially and publicly available sources if New Frontiers Public Schools sought access to those sources with the intent of obtaining genetic information; or
4. Genetic information obtained through media sources, whether or not commercially and publicly available, if New Frontiers Public Schools is likely to acquire genetic information by accessing those sources, such as Web sites and online discussion groups that focus on issues such as genetic testing of individuals and genetic discrimination.

29 CFR 1635.8(b)(4).

k) *Workplace Monitoring*

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where New Frontiers Public Schools acquires genetic information for use in the genetic monitoring of the biological effects of toxic substances in the workplace. Such monitoring must meet the criteria at 29 CFR 1635.8(b)(5).

l) *Inquiries Made of Family Members*

New Frontiers Public Schools does not violate the GINA regulations when it requests, requires, or purchases information about a manifested disease, disorder, or pathological condition of an employee whose family member is also employed by New Frontiers Public Schools or who is receiving health or genetic services on a voluntary basis. For example, New Frontiers Public Schools does not violate the GINA regulations by asking someone whose sister also works for New Frontiers Public Schools to take a post-offer medical examination that does not include requests for genetic information. *29 CFR 1635.8(c).*

m) *Confidentiality*

The Superintendent or designee shall maintain genetic information in writing about an employee on forms and in medical files (including where the information exists in electronic forms and files) that are separate from personnel files. New Frontiers Public Schools must treat such information as a confidential medical record. New Frontiers Public Schools may maintain genetic information about an employee in the same file in which it maintains confidential medical information under the ADA.

Genetic information placed in personnel files before November 21, 2009, need not be removed. New Frontiers Public Schools will not be liable under the GINA regulations for the mere existence of the information in the file. However, the prohibitions on use and disclosure of genetic information apply to all genetic information that meets the statutory definition, including genetic information requested, required, or purchased before November 21, 2009.

Genetic information that New Frontiers Public Schools receives orally need not be reduced to writing but may not be disclosed, except as permitted by 29 CFR part 1635.

Genetic information that New Frontiers Public Schools acquires through sources that are commercially and publicly available, as provided by 29 CFR 1635.8(b)(4), is not considered confidential genetic information but may not be used to discriminate against an individual.

29 CFR 1635.9(a).

n) *Disclosure Permitted*

New Frontiers Public Schools may disclose genetic information, regardless of how such information was obtained (except for genetic information acquired through commercially and publicly available sources), as follows:

1. To the employee (or family member if the family member is receiving genetic services) about whom the information pertains upon receipt of the employee's written request;
2. To an occupational or other health researcher if the research is conducted in compliance with the regulations and protections at 45 CFR part 46;
3. In response to an order of a court. New Frontiers Public Schools may disclose only the genetic information expressly authorized by the order. If the order was secured without the knowledge of the employee to whom the information refers, New Frontiers Public Schools shall inform the employee of the order and any genetic information that was disclosed pursuant to the order;
4. To government officials investigating compliance with Title II of GINA if the information is relevant to the investigation;
5. To the extent the information is disclosed in support of an employee's compliance with the certification provisions of the FMLA or certification requirements under state family and medical leave laws; or
6. To a federal, state, or local public health agency, only with regard to information about the manifestation of a disease or disorder that concerns a contagious disease that presents an imminent hazard of death or life-threatening illness, provided that the individual whose family member is the subject of the disclosure is notified of such disclosure.

29 CFR 1635.9(b).

o) *Relationship to HIPAA Privacy Regulations*

The GINA regulations do not apply to the use or disclosure of genetic information that is protected health information subject to regulation under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). *29 CFR 1635.9(c).*

SECTION 8. BANKRUPTCY DISCRIMINATION

New Frontiers Public Schools shall not terminate the employment of, or discriminate with respect to employment against, an individual who is or has been a debtor under federal bankruptcy laws, or an individual associated with such debtor or bankrupt, solely because such debtor or bankrupt:

1. Is or has been a debtor under federal bankruptcy laws;
2. Has been insolvent before the commencement of a case under federal bankruptcy laws or during the case but before the grant or denial of a discharge; or
3. Has not paid a debt that is dischargeable in a case under federal bankruptcy laws.

11 S.C. 525(b).

SECTION 9. GRIEVANCE POLICIES

The Superintendent shall provide grievance procedure(s) concerning the following:

a) *Section 504*

That incorporate appropriate due process standards and provide for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act. *34 CFR 104.7(b), 104.11.*

b) *Americans with Disabilities Act*

Providing for prompt and equitable resolution of complaints alleging any action that would be prohibited by the ADA. *28 CFR 35.107, 35.140.*

c) *Title IX*

Providing for prompt and equitable resolution of employee complaints alleging any action prohibited by Title IX. *34 CFR 106.8(b); North Haven Board of Education v. Bell, 456 U.S. 512 (1982).*

SECTION 10. COMPLIANCE COORDINATOR

New Frontiers Public Schools shall designate at least one employee to coordinate its efforts to comply with Title IX, Section 504, the Age Act, and the ADA. The Superintendent shall notify all employees of the name, office address, and telephone number of the employee(s) so designated. *34 CFR 104.7(b), 104.11; 28 CFR 35.107, 35.140; 34 CFR 106.8(b).*

6.2. NON-DISCRIMINATION POLICY

SECTION 1. NONDISCRIMINATION STATEMENT

New Frontiers Public Schools strictly prohibits discrimination, including harassment, against an employee on the basis of race, color, religion, gender, national origin, age, disability, genetic information, or any other legally protected classification. Retaliation against anyone involved in the complaint process is also a violation of New Frontiers Public Schools policy.

For purposes of this policy, “employee” includes current employees, volunteers and applicants for employment.

SECTION 2. GENERAL NON-DISCRIMINATION POLICY

a) *Prohibited Conduct*

In this policy, the term “prohibited conduct” includes discrimination, harassment, and/or retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

i. *Prohibited Discrimination*

Discrimination is defined as conduct directed at an employee on the basis of race, color, religion, gender, national origin, age, disability, genetic information or any other basis prohibited by law, that adversely affects his or her employment.

ii. *Prohibited Harassment*

Prohibited harassment of an employee is defined as unwelcome conduct that is based on race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability or genetic information where:

1. Enduring the offensive conduct becomes a condition of continued employment; or
2. The conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile or abusive.

Harassment may also occur when unwelcome conduct based on an employee's protected characteristic is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee's work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's performance, environment, or employment opportunities.

Prohibited harassment may include, but is not limited to, offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other stereotypes; or other types of aggressive conduct such as theft or damage to property.

iii. *Prohibited Gender-Based Harassment*

Gender-based harassment includes physical, verbal, or nonverbal conduct based on an employee's gender, the employee's expression of characteristics perceived as stereotypical for the employee's gender, or the employee's failure to conform to stereotypical notions of femininity or masculinity.

Examples of gender-based harassment, regardless of the employee's or alleged harasser's actual or perceived gender, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

iv. *Prohibited Retaliation*

New Frontiers Public Schools expressly prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or an employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

v. *False Claims*

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate or participate in an investigation regarding discrimination or harassment is subject to discipline, up to and including termination of employment.

b) *Reporting Prohibited Conduct (Non-Sexual Harassment)*

An employee who believes that he or she has experienced prohibited conduct, or that another employee has experienced prohibited conduct, should immediately report the alleged conduct to the Principal or his or her supervisor, or to one of the school officials identified below.

In this policy, “prohibited conduct” includes discrimination, harassment, and/or retaliation, even if the behavior does not rise to the level of unlawful conduct.

The reporting procedures in this Section 2 will apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX (including sexual harassment), see the procedures below at Section 3, Sexual Harassment Prohibited – Title IX Policy.

i. *Title IX Coordinator*

The Title IX Coordinator is responsible for coordinating New Frontiers Public School’s efforts to comply with its responsibilities under Title IX with respect to discrimination based on sex, including sexual harassment. New Frontiers Public Schools designates the following person(s) to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Sandra Flores Position: Human Resources Manager Address: 901 NE Loop 410, Suite 711

ii. *ADA/Section 504 Coordinator*

New Frontiers Public Schools designates the following person to coordinate its efforts to comply with legal requirements concerning discrimination on the basis of disability:

Norma Arshad Position: School Counselor Address: 1400 Villaret Blvd SATX 78224
Telephone:

iii. *All Other Complaints*

Reports concerning prohibited conduct against the Title IX Coordinator, ADA/Section 504 Coordinator, and/or Title VII/Age Coordinator may be made to the Superintendent or designee. Reports concerning prohibited conduct against the Superintendent or designee may be directed to the Board.

c) *Timely Reporting*

Employees shall report prohibited conduct as soon as possible after the alleged act or knowledge of the alleged act.

Any supervisor who receives a report of prohibited conduct shall immediately inform the appropriate NFPS official identified above.

d) *Investigating Reports of Prohibited Conduct*

New Frontiers Public Schools may request, but not insist upon, a written report describing any alleged prohibited conduct. If a report is made orally, the New Frontiers Public Schools official receiving the report shall reduce the report to writing.

After receiving a report or notice of a report, the appropriate Compliance Coordinator shall determine if the allegations, if proven, would constitute prohibited conduct under this policy. If so, the Compliance Coordinator shall immediately authorize or conduct an investigation, regardless of whether a criminal or regulatory investigation concerning the allegations is pending. The investigation may be conducted by the Compliance Coordinator or designee, or by a third party authorized by New Frontiers Public Schools, such as an attorney. The employee's Principal or supervisor shall be notified of the investigation, if appropriate.

The investigation may consist of personal interviews of individuals with knowledge of the allegations, including the person making the report, and the person against whom the report is filed. The investigation may also include consideration of documents or other information concerning the allegations.

If appropriate, New Frontiers Public Schools shall take prompt action to prevent prohibited conduct from occurring during the course of the investigation.

i. *Concluding the Investigation*

Investigations of prohibited conduct should be completed as soon as reasonably possible and appropriate under the circumstances. The investigator shall prepare a written report of the investigation, and provide the report to the New Frontiers Public Schools official overseeing the investigation.

ii. *School Action*

If an investigation indicates that prohibited conduct occurred, New Frontiers Public Schools shall promptly take appropriate disciplinary or corrective action to address the conduct.

New Frontiers Public Schools may also take action following an investigation, even if the alleged conduct did not rise to the level of prohibited or unlawful conduct.

iii. *Confidentiality*

New Frontiers Public Schools shall respect the privacy of all individuals involved in a report or investigation of prohibited conduct. Limited disclosures may be necessary.

iv. *Appeal*

A complainant who is dissatisfied with the outcome of an investigation may appeal through Board Policy - Employee Complaints and Grievances – General.

e) *Records Retention*

Copies of reports alleging prohibited conduct, investigation reports, and other related records shall be maintained for at least three years.

SECTION 3. SEXUAL HARASSMENT PROHIBITED – TITLE IX POLICY

a) *Definitions for Title IX Terms*

i. Actual Knowledge

“Actual knowledge” means notice of sexual harassment or allegations of sexual harassment to New Frontiers Public School’s Title IX Coordinator or any New Frontiers Public Schools official who has authority to institute corrective measures on behalf of New Frontiers Public Schools, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of New Frontiers Public Schools with actual knowledge is the respondent (as that term is defined below). The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of New Frontiers Public Schools. “Notice” as used in this definition includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator. *34 C.F.R. 106.30(a)*.

ii. Complainant

“Complainant” means an individual who is alleged to be the victim of conduct that could constitute sexual harassment. *34 C.F.R. 106.30(a)*.

iii. Consent

“Consent” is not currently defined by the Title IX regulations, nor do the regulations require New Frontiers Public Schools to adopt a particular definition of consent with respect to sexual assault. *34 C.F.R. 106.30(a)*.

iv. Deliberate Indifference Standard

If New Frontiers Public Schools has actual knowledge of sexual harassment in an education program or activity of New Frontiers Public Schools against a person in the United States, it must respond promptly in a manner that is not deliberately indifferent. New Frontiers Public Schools is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. *34 C.F.R. 106.44*.

v. Education Program or Activity

For purposes of this Title IX policy, “education program or activity” includes locations, events, or circumstances over which New Frontiers Public Schools exercised substantial control over both the respondent and the context in which sexual harassment occurs. *34 C.F.R. 106.44*.

vi. Formal Complaint

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that New Frontiers Public Schools investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in New Frontiers Public School’s education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email, by using the contact information for the Title IX

Coordinator provided by New Frontiers Public Schools, and by any additional method designated by New Frontiers Public Schools. As used in this definition, the term “document filed by a complainant” means a document or electronic submission (such as by email or through an online portal provided for this purpose by New Frontiers Public Schools) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to the Title IX formal complaint, and must comply with the requirements of the Title IX formal process, including the informal resolution process. *34 C.F.R. 106.30(a)*.

vii. *Respondent*

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment. *34 C.F.R. 106.30(a)*.

viii. *Sexual Harassment*

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of NFPS conditioning the provision of an aid, benefit, or service of NFPS on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to NFPS’s education program or activity; or
3. “Sexual assault” as defined in [20 U.S.C. 1091\(f\)\(6\)\(A\)\(v\)](#); “dating violence” as defined in [34 U.S.C. 12291\(a\)\(10\)](#); “domestic violence” as defined in [34 U.S.C. 12291\(a\)\(8\)](#); or “stalking” as defined in [34 U.S.C. 12291\(a\)\(30\)](#).

34 C.F.R. 106.30(a).

ix. *Supportive Measures*

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to New Frontiers Public School’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or New Frontiers Public School’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. New Frontiers Public Schools must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair New Frontiers Public School’s ability to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. *34 C.F.R. 106.30(a)*.

b) Requirement to Designate Title IX Coordinator

New Frontiers Public Schools must designate at least one employee as a Title IX Coordinator to coordinate New Frontiers Public School’s efforts to comply with its requirements under Title IX.

c) *Notification of Title IX Policy*

New Frontiers Public Schools must notify applicants for admission and employment, students, parents or legal guardians of students, and all professional organizations holding professional agreements with New Frontiers Public Schools of the name or title, office address, email address, and telephone number of the employee or employees designated as the Title IX Coordinator.

New Frontiers Public Schools must also notify the individuals noted above that New Frontiers Public Schools does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required under Title IX not to discriminate in such a manner. The notification must also state that the requirement not to discriminate in the education program or activity extends to admission and employment, and that inquiries about the application of Title IX to New Frontiers Public Schools may be referred to the designated Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.

34 C.F.R. 106.8(a), (b)(1).

d) *Handbook Information and Website Postings*

New Frontiers Public Schools must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described in “Notification of Title IX Policy,” above, on the New Frontiers Public Schools website, if any, and in the Employee Handbook and Student / Parent Handbook.

New Frontiers Public Schools may not use or distribute a publication stating that New Frontiers Public Schools treats applicants, students, or employees differently on the basis of sex except when such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2).

e) *Reporting Sex Discrimination / Sexual Harassment*

Any person may report sex discrimination, including sexual harassment, whether or not the reporting person is the person alleged to be the victim of conduct that may constitute sex discrimination or sexual harassment. Reports may be made in person, by mail, by telephone, or by email through the contact information listed for NFPS’s Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. Reports may be made at any time (including during nonbusiness hours) by using the telephone number or email address, or by mail to the office address, listed for the Title IX Coordinator. *34 C.F.R. 106.8(a).*

f) *Complaint Procedures*

New Frontiers Public Schools must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX, and a formal Title IX complaint process that complies with applicable federal regulations.

New Frontiers Public Schools must provide notice to the individuals identified in Sec. 3(c) above of the school's procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how New Frontiers Public Schools will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)-(d).

g) *Response by Title IX Coordinator*

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, , inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

i. *Required Supportive Measures*

New Frontiers Public School's response must treat complainants and respondents equitably by offering supportive measures and by following a grievance process that complies with the Title IX regulations (*see* Process for Formal Title IX Complaint, Sec. 3(h) below) before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.

34 C.F.R. 106.44(a).

ii. *Response to Formal Complaint*

In response to a formal complaint, New Frontiers Public Schools must follow a process that complies with the Title IX regulations (*see* Process for Formal Title IX Complaint, Sec. 3(h) below).

34 C.F.R. 106.44(b)(1).

iii. *Emergency Removals*

New Frontiers Public Schools is not precluded from removing a respondent from its education program or activity on an emergency basis, provided that New Frontiers Public Schools:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c).

iv. *Administrative Leave*

New Frontiers Public Schools is not prohibited from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This does not modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*.

h) *Process for Title IX Formal Complaint*

For purposes of addressing formal complaints of sexual harassment, New Frontiers Public School's process must comply with the requirements listed in this section. Any provisions, rules, or practices other than those required by the Title IX regulations or this policy that New Frontiers Public Schools adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*.

New Frontiers Public School's Title IX formal complaint process must:

1. Treat complainants and respondents equally by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies must be designed to restore or preserve equal access to New Frontiers Public School's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent.
2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness.
3. Require that any individual designated by New Frontiers Public Schools as a Title IX Coordinator, investigator, decision-maker, or any person designated by New Frontiers Public Schools to facilitate an informal resolution process, not to have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. New Frontiers Public Schools must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process receive training on the definition of sexual harassment, the scope of New Frontiers Public School's education program or activity, how to conduct an investigation and Title IX formal complaint process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. New Frontiers Public Schools must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. New Frontiers Public Schools must also ensure that investigators receive training on relevance to create an investigative report that fairly summarizes relevant evidence. Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process.
5. Include reasonably prompt timeframes for concluding the grievance process, including reasonably prompt timeframes for filing and resolving appeals and informal resolution processes if New Frontiers Public Schools offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that New Frontiers Public Schools may implement following any determination of responsibility.
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment.
8. Include the procedures and permissible bases for the complainant and respondent to appeal.
9. Describe the range of supportive measures available to complainants and respondents.
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally-recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1).

i. Notice of Allegations

Upon receipt of a formal complaint, New Frontiers Public Schools must provide the following written notice to the parties who are known:

1. Notice of New Frontiers Public School's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;
 - b. The conduct allegedly constituting sexual harassment; and
 - c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence. The written notice must inform the parties of any provision in New Frontiers Public School’s Code of Conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, New Frontiers Public Schools decides to investigate allegations about the complainant or respondent that are not included in the notice of allegations, New Frontiers Public Schools must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2).

ii. *Dismissal of Formal Complaint*

New Frontiers Public Schools must investigate the allegations in a formal complaint.

If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in New Frontiers Public School’s education program or activity, or did not occur against a person in the United States, then New Frontiers Public Schools must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of New Frontiers Public School’s Code of Conduct.

New Frontiers Public Schools may dismiss the formal complaint or any allegations therein if, at any time during the investigation or hearing (if applicable):

1. A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
2. The respondent is no longer enrolled or employed by New Frontiers Public Schools; or
3. Specific circumstances prevent New Frontiers Public Schools from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal of a formal complaint, New Frontiers Public Schools must promptly send written notice of the dismissal and reason(s) therefore simultaneously to the parties.

34 C.F.R. 106.45(b)(3).

iii. *Consolidation of Formal Complaints*

New Frontiers Public Schools may consolidate formal complaints as to allegations of sexual harassment against more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this section to the singular “party,” “complainant,” or “respondent” include the plural, as applicable. *34 C.F.R. 106.45(b)(4).*

iv. *Investigating Formal Complaints*

When investigating a formal complaint and throughout the Title IX formal complaint process, New Frontiers Public Schools must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on New Frontiers Public Schools and not on the parties, provided that New Frontiers Public Schools cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless New Frontiers Public Schools obtains that party's voluntary, written consent to do so for a Title IX formal complaint. If a party is not an "eligible student," as defined in the FERPA regulations, New Frontiers Public Schools must obtain the voluntary, written consent of a "parent," as defined in the FERPA regulations.
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related or proceeding by the advisor of their choice, who may be, but is not required to be, and attorney, and not limit the choice or presence of the advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, New Frontiers Public Schools may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which New Frontiers Public Schools does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, New Frontiers Public Schools must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. New Frontiers Public Schools must make all such evidence subject to the parties' inspection and review available at any hearing (if applicable) to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5).

v. Hearings

New Frontiers Public School's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after New Frontiers Public Schools has sent to the investigate report to the parties and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. 34 C.F.R. 106.45(b)(6)(ii).

vi. Determination Regarding Responsibility

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, New Frontiers Public Schools must apply the same standard of evidence described at "Process for Title IX Formal Complaint, Sec. 3(h) above. The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment.
2. A description of the procedural steps taken from receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held (if any).
3. Findings of fact supporting the determination.
4. Conclusions regarding the application of New Frontiers Public School's Code of Conduct to the facts.
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions New Frontiers Public Schools imposes on the respondent, and whether remedies designed to restore or preserve equal access to New Frontiers Public School's education program or activity will be provided by New Frontiers Public Schools to the complainant.
6. New Frontiers Public School's procedures and permissible bases for the complainant and respondent to appeal.

New Frontiers Public Schools must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that New Frontiers Public Schools provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

34 C.F.R. 106.45(b)(7)(i)-(iii).

The Title IX Coordinator is responsible for effective implementation of any remedies identified in a determination regarding responsibility. *34 C.F.R. 106.45(b)(7)(iv).*

vii. Appeals

New Frontiers Public Schools must offer both parties an appeal from a determination regarding responsibility, and from New Frontiers Public School's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination on responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

New Frontiers Public Schools may offer an appeal equally to both parties on additional bases.

As to all appeals, New Frontiers Public Schools must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with standards regarding conflict of interest and bias found in the Title IX regulations (as discussed in "Process for Formal Title IX Complaint," Sec. 3(h) above);
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8).

viii. Informal Resolution

New Frontiers Public Schools may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with Title IX. Similarly, New Frontiers Public Schools may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility, New Frontiers Public Schools may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication.

With respect to informal resolution, New Frontiers Public Schools must provide written notice to the parties disclosing:

1. The allegations;
2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
3. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

New Frontiers Public Schools also must obtain the parties' voluntary, written consent to the informal resolution process.

New Frontiers Public Schools cannot offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9).

ix. Recordkeeping

New Frontiers Public Schools must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to New Frontiers Public School's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. New Frontiers Public Schools must make these training materials publicly available on its website or, if New Frontiers Public

Schools does not maintain a website, New Frontiers Public Schools must make these materials available upon request for inspection by members of the public.

For each response required under “Response by Title IX Coordinator,” Sec. 3(g) above, New Frontiers Public Schools must create and maintain for a period of seven years records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, New Frontiers Public Schools must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to New Frontiers Public School’s education program or activity.

If New Frontiers Public Schools does not provide a complainant with supportive measures, New Frontiers Public Schools must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit New Frontiers Public Schools in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10).

i) *Retaliation Prohibited*

Neither New Frontiers Public Schools nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for Code of Conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the “Process for Formal Title IX Complaint,” Sec. 3(h) above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a Code of Conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX provided, however, that a determination regarding responsibility alone is not sufficient to conclude that any party made a materially false statement in bad faith.

34 C.F.R. 106.71(a)-(b).

j) *Confidentiality*

New Frontiers Public Schools must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been

reported to be the perpetrator of sex discrimination, any respondent, and nay witness, except as may be permitted by the Family Educational Rights and Privacy Act (“FERPA”) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of the Title IX regulations at 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. *34 C.F.R. 106.71(a)*.

k) *Relationship to General Non-Discrimination Policy*

The formal complaint investigation and resolution process outlined above in Sec. 3(h) applies only to formal complaints alleging sexual harassment under Title IX, but not to complaints alleging sex discrimination that do not constitute sexual harassment. Complaints of sex discrimination that do not constitute sexual harassment may be filed with the Title IX Coordinator and will be handled under New Frontiers Public School’s general process for receiving reports of suspected discrimination and harassment, as outlined in Section 2 above.

New Frontiers Public Schools does not consider conduct in violation of this policy to be within the course and scope of employment or the direct consequences of the discharge of one’s duties. Accordingly, to the extent permitted by law, New Frontiers Public Schools reserves the right not to provide a defense or pay damages assessed against employees for conduct in violation of this policy.

New Frontiers Public Schools may also provide, at its option, the employee's date of hire, date of birth, expected salary or wages, and New Frontiers Public School's payroll address for mailing of notice to withhold child support.

New Frontiers Public Schools does not prohibit employment or refuse to consider an application for employment based solely on the grounds that the applicant/employee has been arrested. 1. An employee needs to do so in order to carry out his or her job duties, or
2. The person discussing the information is talking or otherwise communicating with the subject of the information at that person's invitation.

SECTION 1. PRE-EMPLOYMENT INQUIRIES AND EMPLOYMENT ENTRANCE EXAMINATIONS

New Frontiers Public Schools shall not conduct a medical examination or make inquiries of a job applicant as to whether such applicant is an individual with a disability or as to the nature or severity of a disability, except as provided below. However, New Frontiers Public Schools is permitted to make pre-employment inquiries into the ability of an applicant to perform job-related functions, such as asking an applicant to describe or demonstrate how, with or without reasonable accommodation, the applicant will be able to perform job-related functions. 42 U.S.C. 12112(d)(2); 29 CFR 1630.14(a).

New Frontiers Public Schools may require a medical examination (and/or inquiry) after an offer of employment has been made to a job applicant and prior to the beginning of employment duties and may condition the offer on the results of such examination (and/or inquiry), provided all entering employees in the same job category are subjected to such an examination (and/or inquiry) regardless of disability.

The results of an employment entrance medical examination shall be used only to determine the applicant's ability to perform job-related functions. 42 U.S.C. 12112(d)(3); 29 CFR 1630.14(b).

a) Confidentiality

Information obtained regarding the medical condition or history of the applicant shall be collected and maintained on separate forms and in separate medical files and shall be treated as confidential medical records. New Frontiers Public Schools may designate the physician to perform the examination. If New Frontiers Public Schools designates the physician, New Frontiers Public Schools shall pay the cost of the examination. New Frontiers Public Schools may place the employee on paid administrative leave while awaiting results of the examination and evaluating the results.

Based on the results of the examination, the Superintendent or designee shall determine whether the employee has an impairment. If so, the Superintendent or designee shall determine whether the impairment interferes with the employee's ability to perform essential job functions or poses a direct threat. If not, the employee shall be returned to his or her job position.

If the impairment does interfere with the employee's ability to perform essential job functions or poses a direct threat, the Superintendent or designee shall determine whether the employee has a disability and, if so, whether the disability requires reasonable accommodation.

SECTION 3. OTHER REQUIREMENTS

Employees with communicable diseases shall follow recommendations of public health officials regarding contact with students and other employees. Food service workers shall comply with health requirements established by city, county, and state health authorities.

New Frontiers Public Schools shall pay employees who are exempt from the overtime pay requirements of the FLSA on a salary basis. The salaries of these employees are intended to cover all hours worked, and New Frontiers Public Schools shall not make deductions that are prohibited under the FLSA or state law.

Exempt employees (excluding teachers) are paid on a salaried basis, and their salary is not reduced for absences of less than one full day.

An employee who believes deductions have been made from his or her salary in violation of this policy should bring the matter to New Frontiers Public Schools’s attention, through the New Frontiers Public Schools complaint process. If improper deductions are confirmed, New Frontiers Public Schools will reimburse the employee and take steps to ensure future compliance with the FLSA.

The Superintendent or designee may assign noncontractual supplemental duties to personnel exempt under the FLSA, as needed. The employee may be compensated for these assignments according to New Frontiers Public School’s compensation plans.

c) *Nonexempt*

Nonexempt employees may be compensated on an hourly basis or on a salary basis. Employees who are paid on an hourly basis shall be compensated for all hours worked. Employees who are

paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless the employee works more than 40 hours.

A nonexempt employee shall have the approval of his or her supervisor before working overtime. An employee who works overtime without prior approval is subject to discipline, up to and including termination, but shall be compensated in accordance with the FLSA.

d) *Minimum Wage and Overtime*

In the unlikely event that there is an error in the amount of pay, the employee shall promptly bring the discrepancy to the attention of his or her supervisor so that corrections can be

made as quickly as possible. No employee is entitled to retain any pay in excess of the amount he or she has earned according to the agreed-upon rate of pay. If a wage overpayment occurs, the overpayment will be regarded as an advance of future wages payable and will be deducted in whole or in part from the next available paycheck(s) until the overpaid amount has been fully repaid. Each employee will be expected to sign a wage deduction authorization agreement authorizing such a deduction upon employment with New Frontiers Public Schools. Such authorization agreement is valid for the duration of the employment relationship.

A formal written performance evaluation will be conducted at the end of the employee’s introductory period by the employee’s direct supervisor. Certified Teachers will be evaluated using the commissioner-recommended appraisal process – Texas Teacher Evaluation and Support System - T-TESS. 6.23 CONSENSUAL ROMANTIC RELATIONSHIP

SECTION 1. RATIONALE

New Frontiers Public Schools employees are expected to avoid apparent or actual conflicts of interest, favoritism, or bias in their workplace relationships. Consensual romantic relationships can give rise to such realities or perceptions and are thus potentially exploitative, especially when they involve supervisor/subordinate relationships. In addition, such relationships can and often do create an uncomfortable work or educational environment for students and staff.

SECTION 2. DEFINITION OF ROMANTIC RELATIONSHIPS

A “romantic relationships” is one that involves or is a prelude to sexual intimacy. A romantic relationship may be manifest through, but is not limited to, one or more of the following workplace behaviors: a pattern of exclusivity between two persons; consensual physical touching that implies a romantic intention or desire; the sharing of personal information appropriate for a romantic relationship but beyond the boundaries of a professional workplace relationship; actual physical intimacy; written communications or other actions that demonstrate or imply a romantic interest.

SECTION 3. RELATIONSHIPS BETWEEN EMPLOYEES AND STUDENTS

Employees shall never form romantic relationships with students. Any sexual relationship between a student and an employee is prohibited and unlawful, even if consensual.

SECTION 4. REPORTABLE ROMANTIC RELATIONSHIPS BETWEEN EMPLOYEES

Romantic relationships are generally discouraged between a New Frontiers Public Schools employee and that employee’s immediate or distant supervisor. The power differential makes such relationships open to abuse and to charges of sexual harassment or unprofessional conduct.

This policy is not intended to prohibit romantic or outside relationships among peers or colleagues; however, employees involved in such relationships are cautioned to avoid situations that may contribute to an uncomfortable work or educational environment for other employees or students.

SECTION 5. REPORTING REQUIREMENTS

In the event that consensual romantic relationships exist or begin to develop between an employee and supervisor, the supervisor is charged with the responsibility of notifying his or her immediate supervisor of the relationship. The reporting supervisor shall cooperate in making appropriate workplace arrangements and adjustments, which may include but are not limited to reassignments of duties, departments and/or locations.

SECTION 6. FAILURE TO REPORT OR COOPERATE

Employees in positions of authority who fail to report a romantic relationship with a subordinate or fail to cooperate in efforts to reduce the potential for workplace conflicts as directed will be subject to disciplinary action, up to and including termination.

The Superintendent or designee shall develop a detailed employee grievance/complaint process; this grievance/complaint process shall recognize the Board's final authority to hear or decide employee grievances or complaints.
