Section 1: About the District

Mission Statement

New Frontiers Public Schools (NFPS) is dedicated to offering a pathway where each student receives a collegiate experience. Students build a sense of pride and purpose and are inspired to become tomorrow's leaders.

Vision

To graduate scholars that are poised to elevate their communities, with their purpose and create opportunities.

Introduction

This handbook is designed to acquaint employees with New Frontiers Public Schools, Inc. (NFPS) and provide you with information concerning what you can expect from the district and what the district expects from all employees. NFPS believes that an honest, open relationship with each employee is vital to our mutual success.

No employee handbook can anticipate every circumstance or question about policy. This handbook clarifies the district/employee relationship and provides general information on the policies of (NFPS). Nothing in this handbook is meant to imply, create, or constitute a contract of employment or limit the school's discretion to discipline or terminate employment. Also, no employee, agent, or representative of NFPS has the authority to authorize an employee to engage in any conduct or behavior that conflicts with NFPS employment policies and procedures or to offer an expressed or implied contract of employment unless that authorization is set forth in writing and signed by an Officer of the district.

As the school continues to grow and the need arises, NFPS reserves the right to revise, supplement, or rescind any policies or portion of the handbook from time-to-time, as it deems appropriate, in its sole and absolute discretion. At this same time, NFPS' employment-at-will policy dictates that the employee or NFPS, as the employer, may end the relationship for any reason at any time.

Employees will be notified of any policy changes to the handbook in a timely manner.

Equal Employment Opportunity

Title IX Statement - "No person in the United States, shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX).

NFPS does not discriminate against any employee or applicant for employment or advancement opportunities with regard to race, color, religion, national origin, national ancestry, age, sex, gender, disability, military status, or on any other basis prohibited by law. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employment At Will

Employment with NFPS is voluntary and the employee is free to resign at will at any time, with or without cause. Similarly, NFPS may terminate the employment relationship at will at any time, with or without notice or cause, so long as there is no violation of applicable Federal or State law. Policies set forth in this handbook are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or a contract of employment between NFPS and any of its employees. The provisions of the handbook have been developed by the School “Administration” and approved by the School “Board of Trustees” and, except for its policy of employment-at-will, may be amended or canceled at any time, at the sole discretion of NFPS.

These provisions supersede all existing policies and practices and may not be amended or added to without the express written approval of the Chief Executive Officer and Board of Trustees of NFPS Inc.

Employment Applications

NFPS relies upon the accuracy of the information contained in the employment application, resume, I-9 Form, and W-4 Form, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the district’s exclusion of the individual from further consideration for employment, or if the person has been hired, they will be terminated. To ensure that individuals seek employment with NFPS are well qualified, thorough background, fingerprinting, and reference checks will be conducted.

Employment References/Verification Requests

The Human Resources department (HR) is authorized to respond to legitimate employment references/ verification requests of current and former employees. All responses to such inquiries must be forwarded to your supervisor or the HR department, who will only confirm dates of employment and position(s) held. No further employment data will be released without written authorization by the individual who is subject to the inquiry.

Education Background and Teacher Certification

For organizational or district positions where proof of graduation from a college or university is necessary, employees will be required to provide documents supporting their degree(s) upon employment with NFPS. Additionally, all teaching positions will require documentation to support either a Statement of Eligibility or Certification in the state of Texas. All instructional aids/assistants are required to show documentation that they have completed the required training or hold an Associate’s degree.

It is the responsibility of the individual employee to achieve and maintain re-certification and/or renewal of licenses as appropriate and to provide copies of such documentation to the HR Department. Failure to remain in compliance with a qualified certification is subject to corrective action up to and including termination.

Employees who earn a graduate level degree that will enhance their contribution to the school’s educational environment while employed with NFPS are eligible for additional \$1,500.00 of compensation. The degree must be specific to the area of employment. Compensation adjustments will

Board Approved: July 19, 2023

be applied to the following school year. Employees must submit proof of completion/certification to the HR Department to be considered for adjustments.

Drug Free Workplace

NFPS is committed to maintaining a drug-free work environment and each employee is responsible for the maintenance of such an environment. The unlawful manufacture, distribution, possession, or use of a controlled substance (i.e., drugs) and/or the use of alcohol or tobacco in the workplace, or while conducting NFPS business, is prohibited. Violations will result in termination of employment with New Frontiers Public Schools and may have legal consequences.

Additionally, an employee must notify NFPS of any criminal drug statute conviction for a violation occurring in the workplace, or while conducting NFPS business, no later than five (5) days after such conviction. A report of a conviction must be made to the HR department.

For the safety of our students and employees, NFPS does random drug and alcohol testing through an outside medical facility.

NFPS will conduct drug and/or alcohol testing under any of the following circumstances:

- **RANDOM TESTING:** Employees may be selected at random for drug and/or alcohol testing at any interval determined by the district.
- **FOR-CAUSE TESTING:** NFPS may ask an employee to submit to a drug and/or alcohol test at any time it feels that the employee may be under the influence of drugs or alcohol, including, but not limited to, the following circumstances: evidence of drugs or alcohol on or about the employee's person or in the employee's vicinity, unusual conduct on the employee's part that suggests impairment or influence of drugs or alcohol, negative performance patterns, or excessive and unexplained absenteeism or tardiness.
- **POST-ACCIDENT TESTING:** Any employee involved in an on-the-job accident or injury under circumstances that suggest possible use or influence of drugs or alcohol in the accident or injury event may be asked to submit to a drug and/or alcohol test. "Involved in an on-the-job accident or injury" means not only the one who was or could have been injured but also any employee who potentially contributed to the accident or injury event in any way.

Nothing in this policy prohibits, or in any way limits, the lawful use of prescription or nonprescription drugs. However, an employee must inform his/her immediate supervisor if he/she is using a prescription or nonprescription drug which could impair work performance or pose a risk of harm to the employee, to others, or to property. It is the employee's responsibility to determine from his or her physician(s) if the medication can impair work performance or pose such a risk. If the lawful use of lawful prescription or nonprescription drugs does limit or otherwise impair the employee's ability to perform the essential functions of his or her position or otherwise creates a safety risk, the HR department will meet with the employee to determine whether a reasonable accommodation is available.

Employees are encouraged to report any suspicious behavior observed at school or at any school-related or school-sponsored activity. Strangers or former employees walking unaccompanied in areas not generally open to the public should be pointed out to a supervisor.

Former employees may not enter areas that are not open to the public after they are no longer employed by NFPS. ^(OBJ)

NFPS is committed to providing a safe workplace that is free from violence or threats of violence. Any acts of violence in the workplace are prohibited and subject to disciplinary action, up to and including discharge. Additionally, any and all threats of violence, direct or indirect, serious or said in jest, are prohibited. All threats will be taken seriously and are subject to disciplinary action, up to and including discharge.

Employees concerned about family violence being brought into the workplace or in the work parking lot are encouraged to notify their supervisor or the HR department.

Any employee who receives a protective or restraining order that lists NFPS as a protected area is required to provide the HR department with a copy of the order and information requested by NFPS to identify the individual subject to the order.

Anti-Harassment

NFPS is committed to providing a zero-tolerance, harassment-free work environment whether sexual or discriminatory in nature in which its employees and students are treated with courtesy, respect, and dignity. It is illegal and against district policy for any employee to make unwelcome sexual advances, requests for sexual favors, other verbal, written, or physical conduct of a sexual nature, or to create an intimidating, hostile, or offensive working environment through physical or verbal conduct relative to an employee's gender, religion, age, national origin, disability, sexual preference or any other characteristic protected under law.

NFPS strongly discourages non-business relationships between employees with supervisory or evaluative authority and the employees that they supervise or evaluate. These relationships can lead to the appearance of exploitation and can impair the trust and integrity of the employment relationship. Further, those individuals upon whom NFPS has entrusted managerial, supervisory, or evaluative responsibilities carry a special responsibility to adhere to the highest ethical and professional standards and to avoid any actions that may appear to undermine the mission of the District.

Any employee engaging in harassing activity will be subject to disciplinary action, including suspension and/ or termination. Employees who believe that they are being subjected to harassment must immediately report the incident to their supervisor to investigate. Supervisors must notify the HR department for a proper investigation and determine what action will be taken. The identity of the employee making the report will be kept confidential to the greatest extent possible.

Any employee, supervisor, or manager who becomes aware of possible harassment is required to promptly advise the HR department.

This policy has been established to ensure employees that the issue of harassment will be dealt with in a prompt and confidential manner. Employees will not be penalized for reporting an incident or for participating in the investigation.

Workplace Dating

Employees who are in administration/management/supervisory/leadership roles are prohibited from dating any employee over whom they have direct or indirect supervision.

If two employees are involved in a dating relationship, it will be presumed by NFPS that both parties welcome the relationship unless one or the other notifies their supervisor and the HR department of the contrary. Public displays of affection and favoritism in the course of employment are prohibited.

Behavior that occurs during a disagreement or following a termination of the relationship must not violate NFPS' harassment policy.

Social Media

Material that employees post on social networks that is publicly available to those in the school community must reflect the professional image applicable to the employee's position. The material must not impair the districts or employee's capacity to maintain the respect of students and parents/guardians or impair the employee's ability to serve as a role model for children. NFPS employees are personally responsible for the content they publish online. Be mindful that what gets published will be public for a long time—protect your privacy.

Engaging in social-networking friendships on Instagram, Facebook, Twitter, or other social networking sites is prohibited with students, and strongly discouraged with parents or guardians of students. The district recognizes that because of the tight-knit community of NFPS, many staff members may have students or parents of students, who are family members or close personal friends. However, the district cautions staff members against engaging in such social-networking friendships with these individuals.

Employees must not post confidential student information or pictures of students on personal social media account sites.

School Values

Posts should represent the district values and respectfully express ideas and opinions. All communications should be done in good taste to build trust and responsibility in your relationships. Do not denigrate or insult others including students, staff, administrators, parents, or other districts. Any online contributions must be in accordance with policy, building handbooks or other guidelines provided by the district. Consider carefully what you post through comments and photos. A violation of these guidelines could be regarded as a form of professional misconduct and may result in disciplinary action.

Build Community/Positively Represent School

Represent the District and the students and parents you serve in the best light. Respect the privacy and the feelings of others. Under no circumstance should offensive comments be made about students or colleagues (including administrators) nor the district in general. Negative comments about people may amount to cyberbullying and could be deemed a disciplinary offense. Your posts and comments should help build and support the school community. Do not comment on nor forward unsupported information, e.g., rumors. You are responsible for what you and others post, even if on a personal page, be certain it is accurate and supports your organization. It is a good idea to

monitor your profile page to ensure that all material posted by others does not violate these guidelines.

Employee Complaints, Concerns, and Grievances

Employees are entitled to fair and objective consideration of their concerns. All employees shall first bring their work-related complaints or concerns to their immediate supervisor. Most problems can be resolved satisfactorily through early identification and discussion. Complaints or concerns which are not resolved at the supervisory level may be addressed using the grievance procedure outlined below. If the grievance involves any member of the grievance resolution process the employee may seek redress at the next level of the process.

An employee who has a grievance shall submit it in writing to their Supervisor within 15 school days of the date that the employee knew or should have known of the alleged harm. The complaint must be specific, and where possible, suggest a resolution. The Supervisor will meet with the employee and will review and assess the grievance. The Supervisor will attempt to remedy the grievance in the best interests of the affected parties and document the outcome. The Supervisor must respond to the employee and issue a final decision in writing within ten school days of the Supervisor's receipt of the complaint. If the employee is not satisfied with the result, or if the Supervisor does not respond in writing to the employee within the required timeframe, the employee may file a written appeal to the CEO/ Superintendent. This written appeal shall be filed with the CEO/ Superintendent's office within ten school days of the employee's receipt of the Principal's written decision. The written appeal must be specific, and where possible, suggest a resolution. The written appeal shall NOT include any new issues or unrelated complaints not contained in the original complaint submitted to their Supervisor. The grievance shall be considered concluded if the employee does not appeal within the required timeframe.

The CEO/ Superintendent or the designee shall meet with the employee; review and assess the complaint and issue a final written decision within 15 school days of the receipt of the written appeal. If any of this 15-day period occurs during the summer months when employees involved in the complaint are not on duty, the review of the appeal will be conducted as soon as possible following the return of all parties to duty or earlier when agreed by all parties involved.

If the employee is dissatisfied with the response from the CEO/ Superintendent or his designee, the employee may make their complaint known in writing to the Board of Trustees. The complaint to the Board of Trustees shall be delivered to the CEO. The written complaint shall NOT include any new issues or complaints not contained in the original complaint submitted to the Principal. The complaint shall be delivered to the President of the Board of Trustees by the CEO's response. The President of the Board of Trustees shall, at the next regular meeting of the Board, distribute a copy of the complaint record to all Trustees for their consideration. The Board of Trustees shall review the written presentation from the complainant as well as the response(s) previously provided. Individuals who are dissatisfied with the response of the CEO/ Superintendent or his designee may present their complaint to the Board of Trustees during the time of Citizen's Presentations at the next regular meeting of the Board of Trustees. The board shall "stop, look, and listen" to the complaint. The Board of Trustees may NOT deliberate or act on the complaint except in compliance with the Texas Open Meetings Act. Failure of the Board to act on the complaint has the effect of upholding the CEO/Superintendent's or his designee's decision.

Gifts and Gratuities

NFPS employees may not accept gifts, entertainment, alcohol, favors or other types of gratuities from parents, students, vendors, consultants, contractors, or suppliers other than promotional and/or other items of value more than \$25 to include holiday gifts and end of year gifts from students and parents.

Employees may not use their position to obtain favorable pricing on personal purchases. Any offers of gifts or special favors of a personal nature are to be reported to the employee's supervisor. Violators will be subject to the Employee Standards of Conduct as noted in Enforceable Standards section of this handbook.

Conflicts of Interest

It is essential that all personnel act appropriately and professionally when dealing with others. Employment with New Frontiers Public Schools imposes a responsibility to act in the school's best interest. Transactions with individuals or organizations outside of NFPS must be conducted within a framework established and controlled by the District Office of the Schools.

As an employee of the district, it is imperative that business dealings with outside firms or individuals will not result in unusual or personal gains for the employee, the individual or the said firm. Unusual gain refers to bribes, product bonuses, special fringe benefits, unusual price breaks, and other windfalls designed to ultimately benefit either party, or both. Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which NFPS does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving NFPS. Promotional plans that could be interpreted to involve unusual or personal gain require specific district-level approval. For the purpose of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage. No "presumption of guilt" is created by the mere existence of a relationship with outside firms. However, if employees have any influence on transactions involving purchases, contracts, or leases, it is imperative that they disclose to an Officer of the district as soon as possible the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.

Hiring of Relatives

The employment of relatives in the same area of an organization may cause serious conflicts and problems with favoritism and employee morale. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

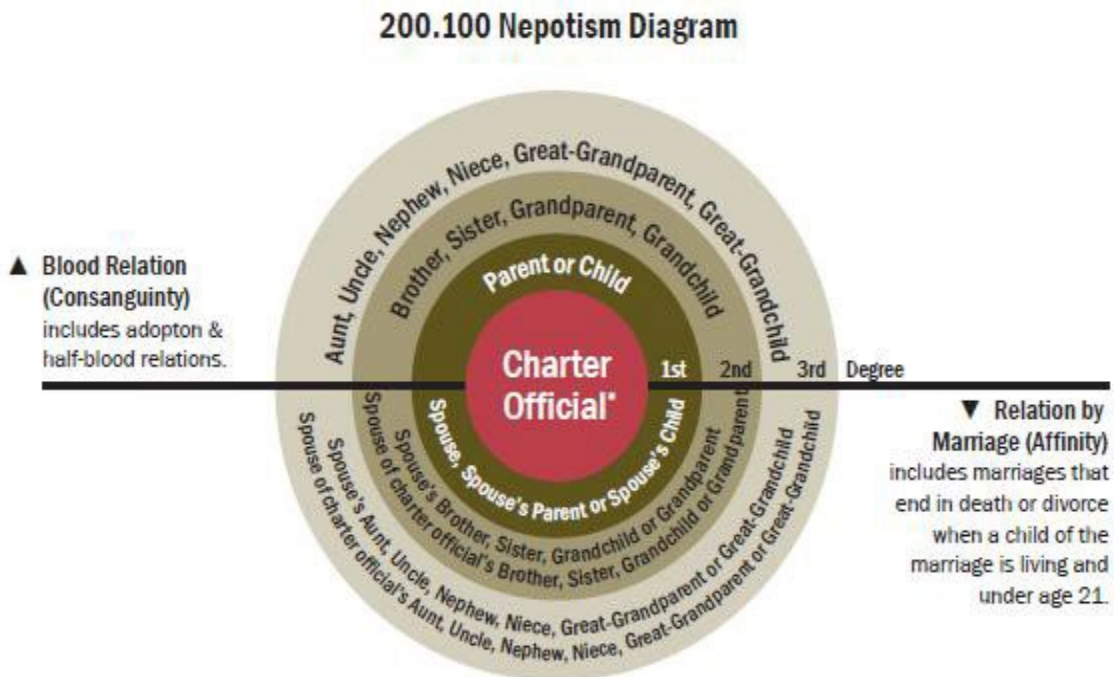

Relatives of persons currently employed by NFPS may be hired only if they will not be working directly for or supervising a relative. This policy applies to any relative, higher or lower in the organization, which has the authority to review employment decisions. New Frontiers Public Schools employees cannot be transferred into such a reporting relationship.

If the relative relationship is established after employment, the individuals concerned will decide

who is to be transferred. If that decision is not made within thirty (30) calendar days, the Chief Executive Officer/ Superintendent will make the final determination. Every effort will be made to provide an opportunity that is similar in scope and salary to their existing position; however, no guarantee of employment can be offered.

In other cases, where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or receive termination of employment.

For the purposes of this policy, a relative is any person who is within the third degree of consanguinity (see following diagram).

Outside Employment

Employees may hold outside jobs as long as they meet the performance standards of their job with NFPS. All employees are judged by the same performance standards and will be subject to NFPS’ scheduling demands, regardless of any existing outside work requirements.

If NFPS determines that an employee's outside work interferes with performance or the ability to meet the requirements of the district, the employee may be asked to terminate the outside employment if he or she wishes to remain with NFPS.

Outside employment that constitutes a conflict of interest is prohibited. Employees may not receive any income or material gain from individuals outside NFPS for materials produced or services rendered while performing their jobs.

Non-disclosure

The protection of confidential business information and trade secrets is vital to the interests and the success of the district. Such confidential information includes, but is not limited to, the following examples:

Active projects and proposals	Marketing Strategies
Budgets and forecasts	New materials research
Pending projects and proposals	Proprietary production processes
Customer lists	Research and development strategies
Customer preferences	Student health records
Facility prototypes	Student lists/ demographics
Financial information	Student records/ addresses
Instructional methodology	Technological data and systems
Labor relations strategies	

All employees are required to sign the handbook and in doing so you understand that a non-disclosure agreement is a condition of employment. Employees who improperly use or disclose trade secrets or confidential business information will be subject to disciplinary action, up to and including termination of employment and legal action, even if they do not actually benefit from the disclosed information.

Disability Accommodations

NFPS is fully committed to complying with the Americans with Disabilities Act (ADA) and ensuring equal opportunity in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis.

Reasonable accommodation is available to all disabled employees, where their disability affects the performance of job functions. All employment decisions are based on the merits of the situation in accordance with defined criteria, not the disability of the individual.

This policy is neither exhaustive nor exclusive. NFPS is committed to taking all other actions necessary to ensure equal employment opportunity for persons with disabilities in accordance with the ADA and all other applicable Federal, State, and local laws.

Immigration Law Compliance

NFPS is committed to employing United States citizens and aliens who are authorized to work in the United States. The district does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed an I-9 with the School within the past three years, or if their previous I-9 is no longer retained or valid.

Section 2: About the Job

Introductory Period

Although New Frontiers Public Schools works closely with employees throughout their employment, the first ninety (90) workdays are regarded as especially important in determining a mutual work relationship. Throughout this introductory period, the school will be evaluating the employee's capabilities, work habits, and overall progress as described in the employee's job description.

Any significant absence/ leave during this period will automatically extend an introductory period by the length of the absence/leave.

During the introductory period, new employees are eligible for those benefits that are required by law, such as workers' compensation insurance. Refer to Section 4 of this handbook for further information regarding your benefits.

Upon satisfactory completion of this introductory employment period, employees are considered "regular" employees. The introductory period may be extended if additional time is needed for effective demonstration of an employee's skills and work habits. Either the employee or the School may end the employment relationship at will at any time during or after the introductory period, with or without cause or advance notice.

Position Classifications and Status

Each NFPS position is classified as either Non-Exempt or Exempt in compliance with the Fair Labor Standards Act (FLSA). These classifications do not guarantee employment for any specified period of time, but rather determine specific provisions as outlined in the FLSA laws.

Exempt employees are salaried employees and are exempt from the payment of overtime. These are employees who serve in an executive, administrative, or professional capacity and the exempt classification is dependent on the type of work the individual performs.

Non-exempt employees receive 1.5 times their regular hourly rate for all hours physically worked more than forty (40) in the school's scheduled work week, and detailed records must be kept of the employee's daily and weekly hours worked. Employees can be required to work overtime anytime management determines overtime is necessary. The scheduled work week starts on Sunday and ends on Saturday.

Status Definitions

REGULAR FULL-TIME employees are those who are not in a temporary or introductory status and who are regularly scheduled to work NFPS' full-time schedule. Generally, they are eligible for the School's benefits package, subject to the terms, conditions, and limitations of each benefit program.

PART-TIME employees are those who are not assigned to a temporary or introductory status and who are regularly scheduled to work less than eighteen (18) hours per week. While they do receive all legally mandated benefits (such as Workers' Compensation insurance), they are ineligible for all of the district's other benefit programs including, but not limited to, insurance benefits and paid vacation.

INTRODUCTORY employees are those whose performance is being evaluated to determine

whether further employment in a specific position or with New Frontiers Public Schools is appropriate. A formal written performance evaluation is to be conducted at the end of an employee's introductory period by the employee's direct supervisor. Employees who satisfactorily complete the introductory period will be classified as a regular full-time or part-time employee based upon their work schedule.

TEMPORARY employees are those who are hired as interim replacements, to temporarily supplement the workforce, or to assist in the completion of a specific project. Employment assignments in this category are of limited time duration. Employment beyond any initially stated period does not in any way imply a change in employment status. Temporary employees retain the status unless and until notified of a change. While temporary employees receive all legally mandated benefits (such as Worker's Compensation insurance and Medical insurance), they are ineligible for paid vacation and other NFPS' benefit programs.

Performance Evaluations

Supervisors and employees will discuss job performance and goals on an on-going basis. An annual performance evaluation is to be conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage, and recognize strengths, and discuss positive, purposeful approaches for meeting goals. The Texas Teacher Evaluation and Support System (T-TESS) and Texas Principal Evaluation and Support System (T-PESS) are the approved TEA tools that will be used to evaluate teachers and principals. If an employee is found to be "Not Demonstrated/Needs Improvement" a growth plan will be developed in collaboration with the employee and school principal or designee. The plan will contain:

- area(s) where improvement is needed
- specific goals and objectives to be met
- specific activities or procedures to be used to meet goals/ objectives
- and the timeframe for achieving the desired results

If the plan objectives are not realized within the specified timeframe, performance could then be further evaluated through the Corrective Action Process in Section 3.

NFPS awards merit-based adjustments in an effort to recognize superior employee performance. The decision to award such an adjustment is dependent upon numerous factors, including the information documented by this formal performance evaluation process and the district's financial standing.

Performance evaluations will be considered when assignments are determined for the following school year. The immediate supervisor will ensure and be held accountable for the correct and consistent use of observation data collected throughout the school year to use in conjunction with the end of the school year summative evaluation.

Compensation Policy

It is NFPS' policy to competitively compensate employees for the work they perform. Periodic wage and benefit surveys for comparable positions are conducted within surrounding school districts. The results of these surveys are compared with NFPS wage and benefits programs, and consideration is given to differences in job duties and school financial standing to determine when changes are appropriate.

Exempt employees are compensated on a daily rate of pay multiplied by the number of days indicated on the Employee Change Form.

Non-Exempt employees are compensated on an hourly rate multiplied by the number of hours expected to work multiplied by the days indicated on the Employee Change Form.

Exempt 10-month employee exceptions: employees will be compensated \$30.00 an hour for any extra duty assignment as defined below.

A record of “Time and Effort/Timesheet” must be submitted and approved by the HR department and Principal.

Employee’s Academic and Professional Responsibilities and Extra Duty

As an employee of NFPS, it is agreed that your responsibilities include academic and professional responsibilities that may be assigned from time to time as well as specific responsibilities to attend and participate in PLC, departmental, divisional, and other faculty meetings. Additionally, responsibilities may include mentoring, coaching, and/or other professional and academic responsibilities as specified by school administrators.

For the purpose of this policy, extra duty is defined as duties performed outside of the course and scope of the academic and professional responsibilities. As an employee, you may be assigned professional duties that may include, but are not limited to, supervisory duties, tutoring, camps, or other assignments as may be designated by school administrators. All extra duty will be documented by clocking in and out through the timeclock system. Campus Administration will be responsible for verifying and approving extra-duty pay. Extra duty timesheets must be submitted weekly and within the payroll reporting period associated with each pay period.

The following is a list of a minimum required documentation based on activity:

- Student daily attendance record
- Employee clock-in/out
- Activity documentation

Employees are expected to be available on a full-time basis to meet responsibilities at NFPS. All campus faculty members are expected to be available, at a minimum, for assigned school responsibilities each school day and remain available until the eight-hour day as determined by school administration (work hours may vary by department.).

Conference periods are provided to allow teachers to perform work directly related to their assigned instructional duties. Conference periods are considered part of the instructional day and as such, leaving the campus during a conference period is not permitted unless the teacher has obtained permission in advance from the principal.

Stipends

For specific duties outside of an employee's course and scope of the academic and professional responsibilities, the district may provide a stipend for an approved activity. NFPS has established a list of approved activities and stipends. A current list of approved activities and stipends can be found on the NFPS website.

Principals and specific departments may recommend additional stipends. These recommendations will be reviewed on an annual basis and taken into consideration with the annual operating budget. Only the CEO/Superintendent and/or their designee may approve a new stipend request. A stipend is not part of an employee's salary, and employees are not guaranteed a stipend even if they have received it in the past. A grant-funded stipend will cease when the grant ends. Stipend agreement will be documented via the Notice of Supplemental Duty Assignment form by HR.

Fall stipends are scheduled to be paid out in January and Spring stipends are scheduled to be paid out in June.

Pay Periods

NFPS operates on a semi-monthly pay cycle. A schedule of pay periods and pay dates is provided to all employees each year.

If a regularly scheduled payday falls during a weekend, payroll will be distributed on the Friday before. If a regular payday falls during a holiday or school, payroll will be distributed the day before. Earnings Statements will be e-mailed.

NFPS offers employees convenient direct deposit as a preferred method of payment. This system offers the option of having employees' paycheck deposited to a maximum of three separate accounts, such as savings or checking.

Employees are encouraged to sign up for direct deposit. (The district is not responsible for any fees charged to an employee for payroll errors resulting from miscommunication of address or direct deposit changes.)

Administrative Pay Corrections

NFPS takes reasonable steps to ensure that employees receive the correct amount of pay in each paycheck and that employees are paid promptly on the scheduled payday. In the event there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of the Finance Department – Payroll so corrections can be made.

Paycheck Errors

- Underpayments: In the event of an error resulting in an underpayment to an employee, the employee will be properly compensated on or before the next scheduled pay date.
- Overpayments and deduction adjustments of \$50 or less: If an employee has been overpaid an adjustment will be made on the next scheduled pay date. The Finance Department – Payroll will notify the employee before the adjustment is made.

- Overpayments and deduction adjustments greater than \$50: NFPS may collect overpayments up to one (1) year from the date the employee is notified of the overpayment.

Pay Deductions and Set-offs

Federal and State laws mandate that the school make deductions from every employee's paycheck for certain items such as Federal income taxes and Medicare. No deductions, other than those required by law or assigned by court order, will be made from the employee's paycheck without written authorization. Participation in School medical/ dental and 457 investment plans implies employee authorization of related payroll deductions.

Pay set-offs are pay deductions taken by the School usually to help pay off a debt or obligation to NFPS or others. Questions concerning why deductions were made from an employee's paycheck or how they were calculated should be directed to the Finance Department – Payroll.

Timekeeping

Accurately recording time worked is the responsibility of every employee. Federal and State laws require that NFPS keep an accurate record of time worked in order to calculate employee pay and benefits. All employees are required to use the district's time clock system to record their hours worked.

Employees are not allowed to clock another employee in or out. Clocking in/out for another employee will result in immediate corrective action that may include termination of employment.

UNREPORTED HOURS

The FLSA does not permit an employer to benefit from the work of an employee without compensating them for such work. Therefore, all hours worked must be reported using the time clock system. Any time spent working while not clocked in (a.k.a. "working off the clock") is strictly prohibited. Employees are required to clock in before performing any work and are not permitted to clock out until all work has stopped. Employees that underreport or fail to report hours worked are subject to corrective action up to and including termination.

Examples of "working off the clock" may include:

- **Forgetting to clock in or out**
- Voluntarily continuing to work at the end of regular working hours
- Taking work home to complete on the weekend or in the evening
- Checking/Reading/Reviewing work-related emails or listening to work-related voicemail messages while away from the office or workplace
- Answering phones, emails, or attending to customers while clocked out for a lunch break

Once an employee has clocked in, the employee is responsible for starting work. When a shift has been completed, it is the employee's responsibility to clock out, including before extra-curricular activities start. Employees conducting personal business or simply not working while clocked in may be considered "riding the clock" and could be subject to corrective action up to and including termination.

The supervisor will review the timesheets and then initial the time record before submitting it for payroll processing. In addition, if corrections or modifications are made to the time record, both

the employee and the supervisor must verify the accuracy of the changes. Employees that consistently have missed punches or tardiness are subject to corrective action and noted in the employee's evaluation.

Employees who violate the employee time clock policy will be subject to disciplinary action.

- 1st offense will result in a verbal warning.
- 2nd offense will result in a written warning or termination.

Any instance of falsifying time records will result in immediate termination. District Office is responsible for accurately reporting and maintaining documented time reports.

Overtime

Overtime hours are not budgeted and are not allowed unless approved and signed prior to processing payroll. Supervisors must sign off on timesheets with an explanation included about the overtime. Submit timeclock report to the payroll department for processing in accordance with Federal and State wage and hour regulations. Overtime pay is based on actual hours worked. Time off on sick leave, vacation leave, or any leave of absence will not be considered hours worked for purposes of performing overtime calculations. Non-exempt employees will be paid time one and one-half for all hours physically worked in excess of forty (40) hours in any one work week.

Failure to work scheduled overtime may result in disciplinary action, up to and including possible termination of employment.

Section 3: Employee Responsibilities

Attendance and Punctuality

Arriving or leaving work on time, every day is crucial to the efficient performance of employee duties. To succeed as a team, employees must all be able to depend upon their fellow employees to be present for work as scheduled.

All campus employees are required to clock in/out daily using the time clock application when they arrive at school and when they leave for the day. The time clock application is located on the desktop of every classroom computer including the front office. If an employee leaves campus for any reason, they must clock out when they depart and clock in when they return. Failure to adhere to this requirement may lead to disciplinary action.

The district realizes that sometimes circumstances do arise which make being absent or late for work unavoidable. These circumstances must be kept to a minimum. Teachers must leave three days of work available for substitutes. Poor attendance and excessive tardiness is defined as at least three (3) times in ninety (90) days without approved written absence/tardiness excuse from the employee's supervisor. Violation of this policy may result in disciplinary action, up to and including termination of employment.

Any employee absent without notification for one or more consecutive days is considered to have abandoned their job and will be subject to immediate discharge.

Personal Appearance

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the professional image NFPS presents to its students, parents, clients, and visitors.

During the workday, employees are expected to present a clean and neat appearance and to dress in business casual attire. **I.D. Badge is part of the NFPS uniform and must be worn every day.** For additional guidance, please confer with your immediate supervisor. Employees who arrive to work inappropriately dressed will be sent home and directed to return to work in acceptable attire. Under such circumstances, employees will not be compensated for the time away from work. Fridays are designated as spirit days; all employees may dress less formally as long as appropriate business standards are followed.

Examples of business attire consists of dress slacks, jeans, shirts, suits, or dresses. Men must wear ties on special occasions when asked to do so. Dresses and skirts should not be shorter than one (1) inch above the knee. Jeans worn to work should fit appropriately, not be torn or overly faded, and not show signs of excessive wear. Shoulder straps for women should be at least two (2) inches in width.

<p><u>Inappropriate Clothing/Shoes:</u></p> <ul style="list-style-type: none"> • Torn, ripped, ragged, leggings, and strapless attire is not acceptable. • Tank tops or spaghetti strap tops • Tight fitting or revealing clothing. • No cleavage showing – neckline appropriate • Flip flops and slippers are not acceptable footwear during in session school days. • Men should not wear sandals to work. • Women may not wear open-toed sandals without a back strap. • Undergarments may not be visible 	<p><u>Jewelry, Hair, Tattoos</u></p> <ul style="list-style-type: none"> • <u>Appropriate:</u> ear piercings, natural colors for hair, hair must be neat and clean. • <u>Inappropriate:</u> ear gauges, ear cuffs, and tongue, nose, lip, eyebrow, and unnatural hair color. Coaches may wear warm-up athletic suits and/or knee-length coaching shorts (not jean shorts) immediately before and after practices and during coaching activities and physical education classes. Athletic wear should not be worn as normal office attire outside of coaching duties.

The NFPS nursing staff shall wear medical scrubs all year long with the exception of Fridays and professional development sessions.

Casual attire is acceptable during field trips and professional development days when the students are not in session. Employees should refer to their supervisor or Human Resources for further clarification.

Fundraising Activities

Single-Day Fundraising

In an effort to comply with federal laws governing fundraising in 501(c)(3) for non-profit organizations such as New Frontiers all fundraising activity must be approved by the Chief Executive Officer prior to scheduling. Each campus is allowed only two (2) single-day campus-wide fundraisers annually per school based sponsored committee. Each committee may designate the funds to their desired school purpose. Each committee is responsible for their own bookkeeping to maintain accurate balances of their fundraising balances.

All fundraising activities must be submitted to the principal for review and tentative scheduling.

Multiday Fundraising

Each grade level, and groups such as the National Honor Society and Student Council, may raise funds throughout the school year to pay for costs of field trips, incentives, awards, etc.

All fundraising activities must be coordinated and approved by the Principal before implementation. Check requests and Purchase requests (see below) from the Fundraiser Account must be approved by the principal in advance. The principal will initial on the “Supervisor Approval” line of the Requisition Form. All funds raised through such activities must be turned in to the school office within three (3) business days of the conclusion of the fundraising activity. Each grade level and groups are responsible for their own bookkeeping to maintain accurate balances for their

fundraising balances.

Field Trips

All field trip request forms must be filled out prior to submitting to the principal at least **THREE** weeks in advance of a field trip. Failure to complete and submit three weeks in advance of the field trip, will result in non-approval. This will allow for ample time to coordinate with the cafeteria staff, transportation department, finance department, and personnel needs.

Training and Staff Development

All requests for training must be approved in advance by supervisor (principal for staff). Training may be selected for employees if it is determined that the training will be beneficial in the performance of their jobs. Employees may also bring training requests to the attention of their immediate supervisor for consideration. Employees will provide a Workshop/Training Request form with supporting documentation to supervisor/ principal.

Reimbursements

Employees may on occasion purchase items for the benefit of the school or a specific school activity. Employees may be reimbursed for these out-of-pocket purchases with supervisory approval obtained prior to the purchase. Approval is obtained through the Requisition Form. If a purchase is approved, an employee may submit a Requisition Form to be reimbursed. Check requests submitted without documentation of prior supervisory approval will not be reimbursed. The same policy applies with regard to adequate supporting documentation and copies to be submitted. Any items purchased for the benefit of the school must be bought separately from personal items. If a receipt provided contains personal items, the reimbursement will not be processed. Items for which a reimbursement has been distributed are considered the property of NFPS.

Use of Equipment

When using school property and equipment, employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards and guidelines. School property and equipment shall only be used for work-related activities and not for personal business.

Supervisors or appropriate department personnel should be notified if any equipment, machines, or tools appear to be damaged, defective, or in need of repair. For technology devices, a ticket must be submitted to the help desk to ensure timely resolution. Prompt reporting of damages, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or others.

Assigned laptops are the responsibility of the employee.

If an employee loses or damages a school-issued laptop, the employee is responsible for the cost of replacing the laptop. Employees will have the cost deducted from his/ her payroll check or pay by personal check to the District Office.

The improper, careless, negligent, destructive, or unsafe use or operation of equipment can result

in disciplinary action, up to and including termination of employment.

Use of Phone and Mail Systems

Personal use of telephones for outgoing calls, including local calls, should be kept to a minimum. Employees will be required to reimburse the district for any charges resulting from the personal use of the telephone. Phones are available for personal outgoing calls during breaks and meal periods.

The mail system is reserved for business purposes only. The use of NFPS paid postage for personal correspondence is not permitted. Employees should refrain from sending or receiving personal mail at the workplace.

To ensure effective telephone communications, employees should speak courteously and professionally.

District-Issued Cell Phones

Cell phones issued to employees for work-related use remain the property of the district. Authorization to purchase and operate a district cell phone is to be granted solely with the permission of the Chief Executive Officer and is subject to ongoing review. To be eligible for a school cell phone each employee must complete a Cellular Telephone Agreement with the district. Employees will be required to reimburse the district for any charges resulting from usage outlined in the agreement.

If an employee loses a school-issued cell phone, the employee is responsible for the cost of replacing the phone. Employees will have the cost deducted from his/ her payroll check or pay by personal check to the District Office.

Those employees who are offered a company cell phone have the option of using their personal cell phone for business. Once the IT department is aware of the employees' preference, employees will be awarded a stipend determined by the Finance department for the fiscal year for the use of their personal cell phone.

Computer and E-Mail Usage

As part of NFPS' commitment to the use of new technologies, employees may have access to school computers, technology, electronic mail, telecommunications systems, and the Internet.

To ensure compliance with copyright law, and to protect NFPS' computer system against computer viruses, security breaches (such as unauthorized intrusions by computer hackers) and other unauthorized use, all employees must read, acknowledge, and sign New Frontiers Public Schools' Computer System and Internet Policy as part of their new hire agreement.

Employees should notify the Principal or any member of administration upon learning of violations of this policy. Employees who violate this policy will be subject to disciplinary action, up to and including termination of employment.

Workplace Monitoring

Workplace monitoring may be conducted by NFPS to ensure quality work environment, employee safety, and security.

Computers furnished to employees are the property of NFPS. As such, computer usage and files may be monitored or accessed.

The district may conduct video surveillance of non-private workplace areas. Video monitoring may be used to identify safety concerns, maintain quality control, detect theft, and misconduct, and discourage or prevent acts of harassment and workplace violence.

Employees can request access to information gathered through workplace monitoring that may impact employment decisions. Access will be granted unless there is a legitimate business reason to protect the confidentiality or an ongoing investigation.

Because NFPS is sensitive to the legitimate privacy rights of employees, every effort will be made to guarantee that workplace monitoring is done ethically and respectfully.

Smoking

In keeping with NFPS' intent to provide a safe and healthy work environment, smoking is prohibited throughout the workplace. Smoking breaks must be taken outside of the workplace in designated areas. This policy applies equally to all employees, contracted service providers and visitors.

Environmental Awareness

NFPS encourages reducing and, when possible, eliminating the use of disposable products. Source reduction decreases the consumption of valuable resources through such workplace practices as:

- | | |
|------------------------------|---|
| Network with E-mail | Posting memos for all employees |
| Two-sided photocopying | Computerized business forms |
| Routing slips for reports | Turning off lights when not in use |
| Eliminating fax cover sheets | Reusing paper clips, folders, and binders |
| Reusing packaging material | Communications through computer |
| Minimum packaging | |

Emergency Closing

At times, emergencies such as severe weather, fires, power failures, or earthquakes, can disrupt School operations. In extreme cases, these circumstances may require the closing of a work facility.

Employees shall be required to use personal equipment, including but not limited to personal cellular phones, personal computers, and personal internet service, when working from home is required during a District closure due to a government or Board order, or when there is an emergency taking place during normal District operations.

Business Travel Guidelines

All travel-related activities are governed by Board Policy. Procedures are subject to change and will not supersede NFPS Policy or any State or Federal law.

It is the policy of NFPS to pay for reasonable employee expenses incurred while on official business for the School. See NFPS website for forms and procedures.

Visitors in The Workplace

To provide for the safety and security of students, employees, and the facilities at New Frontiers Public Schools, only authorized visitors are allowed in the workplace. Restricting unauthorized visitors helps maintain safety standards, protects students and faculty, guards against theft, ensures the security of equipment, protects confidential information, safeguards employee welfare, and avoids potential distractions and disturbances.

Upon entering a campus facility, all visitors are expected to enter any district facility through the main office where they will be issued a visitor's pass upon presenting a valid form of identification. Those are as follows:

- State issued Identification Card (ID)
- State issued Driver's License (DL)
- Valid Military Identification Card (MID)
- Valid Passport

All valid and proper identification forms will be processed through our National Data Based system to ensure compliance. If no issues arise, visitor(s) will be issued dated identification pass and/or badge and shall be worn during the visit. The dated identification pass/ badge will list the destination/reason being visited. The pass/ badge will only provide limited access to avoid the disruption of instruction. A designated area will be provided by the school administration where the visitor may visit with the identified person/ student.

Safety

NFPS provides information to employees about workplace safety and health issues through regular internal communication channels such as supervisor-employee meetings, memos, or other electronic communications.

All exterior doors assigned to our charter district from ACD colleges are closed and locked at all times. All doors are magnetically locked and require a magnetic card to open them.

Each employee is expected to obey safety rules and to exercise caution in all work activities.

Employees must immediately report any unsafe conditions to the appropriate supervisor. Employees who violate safety standards, cause hazardous or dangerous situations, fail to report or, where appropriate, remedy such situations, may be subject to disciplinary action, up to and including termination of employment.

In the case of accidents that result in injury, regardless of how insignificant the injury may appear, the injured employee must contact the School Nurse and have the injury assessed. The employee will complete an Incident Report form provided by the Nurse. The Nurse will forward the report to the principal and the HR department. Such reports are necessary to comply with laws and initiate insurance and workers' compensation benefits procedures if warranted. If an employee requires immediate medical attention, they will be referred to an approved medical facility.

Security - Access to Campuses

During the school year, employees may only access the campus during instructional hours unless the principal or principal's designee is present. Employees must request access to the campus during non-instructional hours. If access is granted employees must obtain prior approval from the principal.

Bullying

All employees are required to report student complaints of bullying to the Principal or other appropriate administrator. Bullying means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that (1) has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property, (2) is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student, (3) materially and substantially disrupts the educational process or the orderly operation of a classroom or school, or (4) infringes on the rights of the victim at school.

The definition of bullying includes "cyberbullying." Cyberbullying means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

Employees who observe students engaged in bullying, or who suspect that a student has engaged in or is the victim of bullying, must report the fact or suspicion to the Principal or other appropriate administrator. The Principal, or other appropriate administrator, shall conduct an investigation into the allegations.

The Principal, or the Principal's designee, may make a report to the local police department (or if the school is not in a municipality to the county sheriff), if after an investigation is completed, the Principal has reasonable grounds to believe that a student engaged in conduct that constitutes the offense of Assault, as defined in Section 22.01 of the Texas Penal Code, or Harassment, as defined in Section 42.07 of the Texas Penal Code.

Corrective Action Process

Most employees will enjoy the benefits that come from good job performance and will only occasionally need to resolve minor job-related problems through a constructive discussion with their supervisor. However, there may be occasions when a performance related issue has not been corrected after discussions with a supervisor, and it becomes necessary to use a system of progressive discipline to attempt a change in behavior.

The Corrective Action process may include the following, although based on the severity of the offense immediate termination is possible:

- Verbal Warning/ reprimand via a Memorandum of Understanding
- Written Notice via Employee Corrective Action Notice to file
- Termination

The employee will be asked to review and sign each written notice. By signing, the employee does not imply that he/ she agrees with the disciplinary action, only that he/ she is aware of it.

Written notices will be placed in the employee's personnel file. No record of any written notice will be placed in an employee's personnel file without employee's knowledge of the written notice and the fact that the written notice has been filed.

Personnel Files

The employee personnel file is a record of employment with the School and it is important that it be kept up to date. Promptly notify the HR department, via appropriate HR forms of any changes in the following:

Name	Address
Telephone number	Emergency contact information
Children's names	Number of dependents
Beneficiary	Educational credentials
Changes in family status	

Personnel files are the property of NFPS District and access to the information they contain is restricted. Employees who wish to review their own file should contact the HR Department. Employees may review their own personnel files, with reasonable advance notice, in the presence of HR personnel and/or appointee. If the employee requires a copy of their personnel file, the request must be submitted in writing and allow District office 72 hours advance notice to process the request.

Voluntary Termination

Resignation is a voluntary act initiated by the employee to terminate employment with the district. The district prefers two weeks' written notice from all employees.

All insurance benefits will be canceled on the last day of the month of termination. In an exit interview with HR the appropriate paperwork and a detailed explanation of the cancellation of benefits will be provided.

An employee will be considered as having voluntarily terminated his/her employment under the following conditions:

- Working for pay while on a medical or personal leave of absence.
- Failure to report to work after the expiration of an approved leave of absence.
- Failure to report to work three times without notifying their supervisor.

Employment Termination

Termination of employment is an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Below are examples of some of the most common circumstances under which employment is terminated:

- RESIGNATION: voluntary employment termination initiated by an employee
- DISCHARGE: involuntary employment termination initiated by the organization
- LAYOFF: involuntary employment termination initiated by the organization for non-disciplinary reasons

- **REDUCTION IN FORCE:** involuntary employment termination initiated by the organization as a result of position elimination
- **RETIREMENT:** voluntary employment termination initiated by the employee meeting age, length of service, and any other criteria for retirement from the organization

The District will generally schedule exit interviews at the time of employment termination. The exit interview will afford an opportunity to discuss such issues as employee benefits, conversion privileges, and repayment of outstanding debts to NFPS, and the return of School-owned property. Suggestions, complaints, and questions can also be voiced during the exit interview.

Since employment with NFPS is based on mutual consent, both the employee and the district have the right to terminate employment at will, with or without cause, at any time. Employees will receive their final pay in accordance with applicable State law.

Employee benefits will be affected by employment termination in the following manner:

- All vested benefits that are due and payable at termination will be paid
- Some benefits may be continued at the employee's expense if the employee submits payment
- The employee will be notified in writing of the benefits that may be continued and of the terms, conditions, and limitations of such continuance

Return of Property

Employees are responsible for all property, materials, or written information issued to them or in their possession or control. Employees must return all District property immediately upon request or upon termination of employment.

Where permitted by applicable laws, NFPS District may withhold from the employee's check or final paycheck the cost of any items that are not returned when required. NFPS District may also take all actions deemed appropriate to recover or protect its property.

Security Inspections

NFPS strives to maintain a work environment that is free of illegal drugs, alcohol, firearms, explosives, or other improper materials. As such, the district prohibits the possession, transfer, sale, or use of such materials on its premises.

NFPS requires the cooperation of all employees in administering security inspections.

- Desks and other storage devices provided by the district are for the convenience and use of employees but remains the sole property of the district. Desks and storage devices are subject to search at any time.
- Accordingly, any agent or representative of New Frontiers Public Schools District can inspect desks and other storage devices, as well as any articles found within them, at any time, either with or without prior notice

To facilitate enforcement of this policy, NFPS or its representative may inspect persons entering and/or leaving the premises and any packages or other belongings

Solicitation

To assure a productive and harmonious work environment, employees of NFPS District may not solicit or distribute literature in the workplace at any time for any purpose.

Examples of prohibited forms of solicitation include the collection of money, goods, or gifts for:

- Community groups
- Religious groups
- Political groups
- Charitable groups
- The sale of goods, services, or subscriptions outside the scope of official organization business (i.e., any goods or services not related to or approved for school sponsored activities).
- The circulation of petitions
- The distribution of literature not approved by the employer
- The solicitation of memberships, fees, or dues

In addition, the posting of written solicitations on school bulletin boards is restricted.

Bulletin boards display important information and employees should consult them frequently for:

- Employee announcements
- Job openings
- Payday notice
- State disability insurance/ unemployment insurance information
- Workers' compensation insurance information
- Organizational announcements
- If employees have a message of interest to the workplace, they may submit it to their supervisor or principal for approval.

Medical Insurance

All eligible employees may participate in the NFPS Group medical plan.

The Group plan provides a comprehensive medical insurance program for employees and their eligible dependents covering doctor visits, lab work, hospitalization, surgical and major medical expenses. This plan protects employees from the high costs associated with catastrophic illness.

Employees are able to participate in the plan on the first of the month following their initial employment date as a regular thirty (30) hours a week, full time employee. NFPS contributes a generous portion of the cost of the employee's insurance. Dependent insurance is available at an additional cost.

An employee may enroll in the medical plan when they are first eligible (as stated above) or they may enroll during "open enrollment" which occurs on an annual basis during the insurance open enrollment period. In some instances, i.e., if a spouse loses medical coverage, the employee may be able to enroll in the NFPS plan at a time other than during open enrollment as a Qualifying

Life Event (QLE or QE). Enrollment must occur within thirty (30) days of the qualifying event in writing to the HR department.

The medical insurance plan year is September 1 through August 31.

For further information, consult the employee insurance website and/or contact the HR department.

Basic Life and Accidental Death and Dismemberment Insurance

NFPS pays the entire cost for life and accidental death and dismemberment insurance coverage for its eligible employees. Life and accidental death and dismemberment insurance benefit is equal to \$50,000 and is payable to the employee's beneficiary. Beneficiaries may be changed at the employee's request.

Federal law requires that life insurance benefits exceeding \$50,000 be reported as taxable income to the employee.

Worker's Compensation Insurance

NFPS provides a comprehensive workers' compensation insurance program at no cost to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits after a short waiting period or, if the employee is hospitalized, immediately.

Employees who sustain work-related injuries or illnesses should inform their supervisor and the school nurse immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage as quickly as possible.

Neither the district nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity sponsored by NFPS.

Vacation Benefits

Employees are eligible for vacation based on the guidelines listed below.

- Vacation benefits ARE NOT available to Full-time 10-month employees
- Vacation for Full-time 12-month employees is calculated from Sept 1 through Aug 31 of each school year (the benefit period)

- Paid vacation time can be used in minimum increments of four hours (1/2-day). Employees should request approval at least four (4) weeks in advance from the supervisor by submitting an Absence Request in the Employee Portal of Ascender. Requests are approved based on a number of factors, including educational and business needs and staffing requirements. Failure to submit appropriate and timely paperwork may result in non-approval of vacation time and/or compensation.
- Vacation pay will not be calculated and disbursed without an accurate, complete, and authorized Absence Request submitted in the Employee Portal of Ascender and approved by the employee's supervisor.
- Vacation time off is paid at the employee's usual rate of pay (daily rate) at the time of vacation. It does not include overtime or any special forms of compensation such as incentives.

Section 5: Supplemental Benefits

457 Retirement Plan

A 457 retirement savings plan is available to qualified regular full-time employees.

Eligible employees may participate in the plan on the first of the month after completing 30 days of service as a regular full-time employee.

- The plan is a voluntary savings plan that can provide great financial security during your retirement years.
- The plan program allows employees to set aside pretax money through payroll deductions to grow tax-free until retirement. By sheltering these contributions from current income taxes, it allows you to grow a nest egg for the future under very favorable conditions
- Although primarily a retirement plan, this plan also has some provisions which allow you to meet certain near-term financial goals, such as buying a home or investing in your own education
- It can provide a buffer for certain life crises, such as non-reimbursable medical expenses or threatened foreclosure on your home
- There is also a tax-free beneficiary provision to the 457 program which can have significant benefits for your loved ones
- Employees may contribute from 1% to 15% of their salary on a pretax basis into this retirement program up to the maximum allowed by law. Changes to the percentage of savings may be made on a monthly basis
- The employee is always 100% vested in their own contributions
- A variety of investment options are available to employees
- Funds can be rolled over from an existing qualified 457 plan from a previous employer
- There is no waiting period for rollovers
- Additional information is available through the HR department

Short-Term Disability

Employer paid core benefit with voluntary employee buy up option which pays for covered loss of earnings from a qualified disability for a short-term basis (up to 11 weeks) with a 14-day waiting period.

Long-Term Disability

To protect employees and their families from loss of income due to a major illness or injury, a long-term disability plan (also known as a salary continuation plan) is available from an independent insurance company. Employees may purchase long-term disability coverage at the employee's expense subject to the requirements of the independent insurance company.

This plan will provide a basic income at a fixed percentage of salary for illnesses or injuries that

require an employee to be absent for more than three (3) months.

This benefit continues for as long as the employee is disabled and is offset by Social Security payments if the employee becomes permanently disabled.

Dental Insurance Plans

New Frontiers Public Schools contribute to the dental plans. All eligible employees and their dependents may participate in the group dental plan on the 1st of the month following their initial employment date, during open enrollment or if they experience a life-changing event.

Vision Plan

A vision care plan is available to employees who work at least 18.75 hours per week. The program offers a number of in-network practitioners who agree to fixed co-pays for office visits and provides discounts on prescriptions and frames. Contact the HR department for more information.

Section 125 (Cafeteria) Plan

New Frontiers Public Schools District participates in a Section 125 plan which allows the employee to have premiums for the selected benefits deducted from their paycheck on a pretax basis. This represents an advantage to the employee by reducing their taxable wages.

The Section 125 Plan also stipulates that the employee can increase or decrease coverage on open enrollment periods. However, the employee cannot withdraw from a program at other times except under a few very limited circumstances.

Long Term Care

This insurance benefit is available on a group basis for both employees and their parents. This integrated coverage provides the insured parties with qualified home care services over a specified period of time. The member selects the time period and benefit amounts.

Qualifying Life Event (QLE or QE)

If an employee experiences a life-changing event, the employee has thirty (30) days to elect health insurances by notifying the HR department and submitting documentation to the HR department. Examples of qualifying life events are divorce, loss of other insurance, or addition to the family.

Benefits Continuation (COBRA)

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the District's health plan when a "qualifying event" would normally result in the loss of eligibility.

Under COBRA, the employee or beneficiary pays the full cost of coverage at NFPS group rates plus an administration fee. The District's COBRA Administrator provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes ineligible for coverage under New Frontiers Public Schools' District health insurance plan. The notice contains important information about the employee's rights and obligations.

Section 6: Types of Duties and Leaves

Jury Duty

NFPS encourages employees to fulfill their civic responsibilities by serving jury duty when summoned. Employees in an eligible classification may request up to a maximum of ten (10) days per year in addition to any other paid leave.

- Jury duty pay will be calculated on the employee's base pay rate times the number of hours the employee would otherwise have worked on the day of the absence.
- Only regular, full-time employees qualify for paid jury duty leave.
- If employees are required to serve jury duty beyond the period of paid jury duty leave, they may use any available paid time off (for example, vacation benefits) or may request an unpaid jury duty leave of absence.
- Employees must show the jury duty summons to their supervisor immediately when it is received so that arrangements may be made to accommodate their absence. Of course, employees are expected to report for work whenever the court schedule permits.
- Either the District or the employee may request an excuse from jury duty if, in New Frontiers Public Schools' judgment, the employee's absence would create serious operational difficulties.
- The District will continue to provide health insurance benefits for the full term of the jury duty absence.

Witness Duty

New Frontiers Public Schools District supports employees who must appear in court for witness duty when subpoenaed to do so.

- If employees have been subpoenaed or otherwise requested to testify as witnesses by New Frontiers Public Schools District, they will receive paid time off for the entire period of witness duty.
- Employees will be granted a maximum of three (3) days of paid time off to appear in court as a witness if subpoenaed by a party other than New Frontiers Public Schools District. Employees will be paid at their base rate and are free to use any remaining paid leave benefits (such as vacation leave) to receive compensation for any period of witness duty absence that would otherwise be unpaid.
- The subpoena should be shown to the employee's supervisor immediately after it is received so that operating requirements can be adjusted, where necessary, to accommodate the employee's absence. The employee is expected to report for work whenever the court schedule permits.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as a result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Employees who need to take time off due to the death of an immediate family member should notify their supervisor immediately.

Up to three (3) days of paid bereavement leave will be provided to regular, full-time employees:

- Bereavement pay is calculated based on the base pay rate at the time of absence.
- Bereavement leave will be granted unless there are unusual business needs or staffing requirements. Employees may, with their supervisors' approval, use any available paid leave for additional time off as necessary.

New Frontiers Public Schools District defines "immediate family" as the employee's spouse, partner, parent, child, stepchild, sibling, mother/ father-in-law, brother/ sister-in-law, daughter/ son-in-law, grandparents or grandchildren.

Family and Medical Leaves

NFPS will follow all State and Federal laws pertaining to family and medical leaves.

- NFPS provides family and medical leaves of absence without pay to eligible employees who wish to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child or to care for a child, foster child, spouse, or parent with a serious health condition or when the employee is unable to work due to a serious health condition.
- A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a health care provider.
- Regular full-time employees who have at least 12 months of service with New Frontiers Public Schools District and have worked at least 1,250 hours over the prior 12 months are eligible to request family leave as described in this policy.
- Eligible employees should make requests for family and medical leaves to the HR department at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. Employees requesting family and medical leaves related to the serious health condition of a child, spouse, or parent may be required to

submit a health care provider's statement verifying the need for a family and medical leave to provide care, its beginning and ending dates, and the estimated time required in the leaves.

- Eligible employees may request up to a maximum of 12 weeks of family and medical leave within any 12-month period. A combination of family and medical leave may not exceed this maximum limit. Employees may choose to use any accrued paid time before taking unpaid family leave. Married couples may be restricted to a combined total of 12 weeks leave within any 12-month period for childbirth, adoption, or placement of a foster child or to care for a parent with a serious health condition. Leaves for birth and care or placement for adoption or foster care must conclude within 12 months of the birth or placement. Employees may take a family and medical leave intermittently (taking leave in blocks of time or reducing their normal or daily work schedule) whenever medically necessary to care for a seriously ill family member or because the employee is seriously ill and unable to work.
- Subject to the terms, conditions, and limitations of the applicable plans, health insurance benefits will be provided by New Frontiers Public Schools District for the full period of the family and medical leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. Arrangements will be made for employees taking unpaid leave to pay their contribution of health insurance premiums while on leave. Employees may choose to have the premiums deducted from their pay upon their return to work. Selecting this option means that premiums will accumulate and deductions will be more than normal until premiums are current.
- Benefit accruals, such as vacation, sick/personal leave, and holiday benefits will be suspended during the unpaid leave and will resume upon return to active employment.
- An employee on family leave is requested to provide HR with at least two weeks advance notice of the date the employee intends to return to work. When family leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified.

If an employee fails to report to work promptly at the end of the approved leave period, New Frontiers Public Schools District will assume that the employee has resigned.

Personal Leave

New Frontiers Public Schools District *may* provide an extended leave of absence *without pay* to eligible employees who wish to take time off from work duties to fulfill personal obligations.

- Regular full-time employees who have completed 1 year of employment are eligible to request a non-paid leave of absence.
- As soon as an employee becomes aware of the need for a personal leave of absence, they should request leave from their supervisor. Upon supervisory approval, leave forms are to be forwarded to HR by the employee.
- Personal leave may be granted for a period of up to 12 weeks every 12 months. With supervisory approval, an employee may take any available sick or vacation time as part of the approved leave.
- Requests for personal leave will be evaluated based on a number of factors, including anticipated workload requirements and staffing considerations during the proposed period of absence.
- Health insurance benefits will be provided by the district for the full period of the personal leave whenever such insurance was provided before the leave was taken; however, arrangements will be made for employees electing to continue their benefits during the unpaid leave to pay the District's full health insurance premiums while on leave.
- Benefits such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon return to active employment.
- When a personal leave ends, every reasonable effort will be made to return the employee to the same position, if it is available, or to a similar available position for which the employee is qualified. However, New Frontiers Public Schools District cannot guarantee reinstatement in all cases.

If an employee fails to report to work promptly at the expiration of the approved leave period, the District will assume the employee has resigned.

Military Leave

A military leave of absence will be granted to employees, except those occupying temporary positions, to attend scheduled drills or training or if called to active duty with the U.S. armed services.

- Employees will receive partial pay for two-week training assignments and shorter absences. Upon presentation of satisfactory military pay verification data, employees will be paid the difference between their normal base compensation and the pay (excluding expense pay) received while on military duty. The portion of any military leaves of absence in excess of 2 weeks will be unpaid. Employees may use any available paid time off for the absence.

- Subject to the terms, conditions, and limitations of the applicable plans, health insurance benefits will be provided by the district for the full period of the personal leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. Arrangements will be made for employees taking unpaid leave to pay their share of health insurance premiums while on leave.
- Benefits such as vacation, sick and holiday benefits will be suspended during the leave and will resume upon the employee's return to active employment.
- Employees on two-week active-duty training assignments or inactive duty training drills are required to return to work for the first regularly scheduled shift after the end of training, allowing reasonable travel time. Employees on longer military leave must apply for reinstatement in accordance with all applicable State and Federal laws.
- Every reasonable effort will be made to return eligible employees to their previous position or a comparable one. They will be treated as though they were continuously employed for purposes of determining benefits based on length of service, such as the rate of vacation accrual and job seniority rights.

Excessive Leave/Prorated Salary Schedule

Leave in excess of time earned or available will be docked at the employee's daily rate of pay. In some instances, the HR department or the employee may determine that a prorated salary schedule may be necessary.

An employee who commences employment after the first scheduled workday will only be paid the daily rate of pay offered for the number of days remaining in the school year.

Section 7: Updates

Handbook Updates

We strive to make additions and improvements when necessary for our employees. From time to time, the district may update the handbook in the middle of the school year. When the employee handbook is updated, a notification regarding the update(s) will be issued via New Frontiers Public Schools' email to all employees. Those who don't have a NFPS email will receive the update(s) from their supervisor. The updated employee handbook will also be placed online for employees to access.

Employee feedback is always appreciated – through the Human Resources email at hr@newfrontierspublicschools.org or through participation in the employee surveys.
