Our Comprehensive Needs Assessment (CNA) process is a cyclical and continuous process that includes addressing improving academic achievement for students. The CNA process includes meaningful consultation with stakeholders and allows our public the opportunity to provide input in the development of our improvement plan. The CNA process involves a core committee of

stakeholders at the district and campus level that are engaged in reviewing and analyzing data, collaborating on patterns of strengths, and identifying areas of need and areas of priority from the following 8 areas of compliance.

1. Demographics
2. Student Achievement
3. School Culture and Climate
4. Staff Quality and Professional Development
5. Curriculum Instruction and Assessment
6. Family and Community Involvement
7. School Context and Organization
8. Technology

Per Federal and State Law, funds are to be spent only when clearly identified in the Comprehensive Needs Assessment, District Improvement Plan, and Campus Improvement Plan.

Imelda Davis Early College High School utilizes a core committee composed of our teachers (core), EB teacher, principal, Student Support Coordinator , special education teacher, special programs coordinator, parent(s), student(s) and community member(s). The core committee meets throughout the year to address the 8 areas of compliance identified above.

The process includes:

- ☐ Core committee meets quarterly to review district/campus data and CNA/CIP
- ☐ Core committee will meet with campus staff to review minutes and data of the committee meetings
- ☐ All components of the CNA/CIP are reviewed and addressed (goals, performance objectives, strategies/activities, funding)
- ☐ An evaluation of all programs funded is completed
- ☐ The CNA/CIP is reviewed to ensure any revisions are completed
